BACKGROUND:

The Regional Transportation Commission of Southern Nevada (RTC) has approved the Intersection Improvements: Cactus Avenue and Torrey Pines project on its annual Capital Improvement Program from its Highway Improvement Fund for Fiscal Year 2024.

Interlocal Contract No. 3165 provides funds for construction of a traffic signal system at the intersection of Cactus Avenue and Torrey Pines Drive. The work entails demolition, removal, and disposal of existing improvements, cold planing, sidewalk ramp reconstruction for Americans with Disabilities Act (ADA) standard, roadway improvements including ultrathin asphalt concrete surface (UTACS), median, concrete sidewalk, curb and gutter, pavement markings, signs, manhole adjustments, and installation of intelligent transportation systems (ITS) conduits. All necessary right-of-way to construct the project has been obtained and Clark County is ready to advertise the project for construction. The time of performance is effective until December 31, 2029, unless time extensions are granted.

RTC approved the interlocal contract at its meeting on June 13, 2024.

The District Attorney's Office has reviewed and approved the interlocal contract as to form.
