**GRANT OF EASEMENT FOR TRAFFIC SIGNAL IMPROVEMENTS**

**KNOW ALL MEN BY THESE PRESENTS:** That CPLV PROPERTY OWNER LLC, a Delaware limited liability company ("Grantor"), for and in consideration of One Dollar (\$1.00) and other valuable consideration, receipt of which is hereby acknowledged, does hereby grant to the COUNTY OF CLARK, a political subdivision of the State of Nevada, its successors and assigns (collectively, "Grantee"), a perpetual non-exclusive easement to construct, reconstruct, repair, operate, and maintain the Traffic Signal Improvements and appurtenances related to the Traffic Signal Improvements, in each case, located upon, over, under, across and through the real property described on Exhibits "A" and "B" attached hereto and by this reference made a part hereof (the "Easement Area"), together with the right of reasonable ingress and egress to and from the Easement Area (collectively, the "Easement").

Grantor retains, for its benefit, the right to use the Easement Area for its own purposes, so long as Grantor's use does not impede, restrict, disrupt, or interfere with the Grantee's use of the Easement as set forth herein.

Grantee shall, at its expense, keep and maintain, or cause to be kept and maintained, the Traffic Signal improvements located within the Easement Area (collectively, the "Traffic Signal Improvements") in a similar condition and repair existing as of the date hereof, reasonable wear and tear excepted without any cost to Grantor. Grantee shall not relocate the Traffic Signal Improvements or make any material alterations or modifications to the Traffic Signal Improvements without the prior written approval of Grantor. Grantee shall in connection with the Traffic Signal Improvements, at its sole cost and expense, repair and/or replace any property, landscaping or other portion of the Grantor's property which is damaged or destroyed in connection with the Traffic Signal Improvements, except for the Traffic Signal Improvements themselves.

In the event the Traffic Signal Improvements are removed by Grantee and are not replaced by Grantee within six (6) months of such removal, all rights of Grantee hereunder shall cease and revert to Grantor, its successors and assigns.

Grantee acknowledges that all entries upon the Easement Area shall be solely at the risk of Grantee; that the Easement Area is accepted strictly in an "as is" condition without warranty or representation of any kind; and regardless of the condition of the Easement Area or any part thereof, Grantor shall have no responsibility or liability whatsoever to Grantee or any of its agents, employees or officers in connection with any entries made upon the Easement Area except in the case of Grantor's negligent or willful misconduct.

This Grant of easement for Traffic Signal Improvements (this "Grant") shall be governed by the law of the State of Nevada. This Grant may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. No term or provision of the Grant is intended to benefit any person or entity not a party hereto, and no such other person or entity shall have any right or cause of action hereunder.

Upon Grantor's request, and to the extent practicable, as determined by the Grantee, Grantee shall ensure that any contractor working on behalf of or at the direction of the Grantee in the Easement Area purchases and maintains comprehensive general liability insurance coverage to insure against all claims which arise from such work, naming Grantor, its officers, employees, agents, representatives, lenders, affiliates, tenants, successors and assigns as additional insured.

Up to the limitations of law, including but not limited to, NRS Chapter 41 liability limitations, Grantee shall be responsible for all liability, claims, actions, damages, losses, and expenses, caused by the negligence of its own officers and employees.

IN WITNESS WHEREOF, Grantor and Grantee have executed this Grant as of the 17<sup>th</sup> day of June 2025.
