Analysis

Comprehensive Planning

The applicant shall establish the request is consistent with the overall intent of the Master Plan by demonstrating the proposed amendment 1) is based on changed conditions or further studies; 2) is compatible with the surrounding area; 3) will not have a negative effect on adjacent properties or on transportation services and facilities; 4) will have a minimal effect on service provision or is compatible with existing and planned service provision and future development of the area; 5) will not cause a detriment to the public health, safety, and general welfare of the people of Clark County; and 6) adherence to the current goals and policies of the Master Plan would result in a situation neither intended by nor in keeping with other core values, goals, and policies.

The applicant requests a change from Compact Neighborhood (CN) to Neighborhood Commercial (NC). Intended primary land uses in the proposed Neighborhood Commercial (NC) land use category include a mix of retail, restaurants, offices, service commercial, and other professional services. Supporting land uses include public uses such as parks, trails, open space, places of assembly, schools, libraries, and other complementary uses.

The request for the Neighborhood Commercial (NC) land use category on the site is compatible with the surrounding area. The adjacent parcel to the west is already planned for Neighborhood Commercial (NC) uses and is zoned CG, while the north half of the adjacent parcel to the east that fronts Lake Mead Boulevard is currently zoned CG which is conforming to the Neighborhood Commercial (NC) land use category. Additionally, the properties to the north across Lake Mead Boulevard are either planned and/or zoned for commercial uses. Furthermore, the site is located along an arterial street (Lake Mead Boulevard) which should be able to

accommodate any increase in traffic from a commercial use. The request complies with Policy SM-1.1 which encourages reinvestment and revitalization of older neighborhoods in Sunrise Manor that is compatible with existing development. For these reasons, staff finds the request for the Neighborhood Commercial (NC) land use category is appropriate for this location.
