Interlocal Contract No. 3143 allocates funds to construct the Traffic Signal Improvements at Various Locations No. 209 project. The project consists of traffic signal system installations at the intersections of Amigo Street and Cactus Avenue, and Durango Drive and Mountains Edge Parkway. The project also includes striping and signing improvements on Amigo Street between Levi Avenue and Pyle Avenue, Erie Avenue between Placid Street and Bermuda Road, and Levi Avenue between Amigo Street and Maryland Parkway. All necessary right-of-way to construct the project has been obtained, and Clark County is ready to advertise the project for construction. The time of performance is effective until June 30, 2029, unless time extensions are granted.

RTC approved the interlocal contract at its meeting on April 11, 2024.
