Skills & Experience:

Dear Members of the PTAB Selection Committee,

I am writing to apply for appointment to the Paradise Town Advisory Committee (PTAB), bringing a background in event production and design, organizational governance, financial oversight, and community engagement, as reflected in my professional résumé.

My career path, which began as a singer/dancer, led to extensive experience in event sales, design, and live event production. In these roles, I worked closely with venues, stakeholders and community partners to ensure projects were delivered on time and on budget while addressing all of the elements included in the brief.

In addition to my professional experience, my résumé reflects a sustained commitment to board governance and nonprofit leadership. I have served on the steering committee and as President and Board Member of the International Special Events Society / International Live Events Association, as well as Treasurer for the Partnership for Community Enrichment and Secretary, Board Member, and Event Committee Chair for the UNLV College of Fine Arts Alumni Chapter. These roles required policy adherence, financial stewardship, meeting facilitation, record keeping, and consensus building, all of which are directly applicable to PTAB service.

My current volunteer service as a Court Appointed Special Advocate (CASA) further informs my approach to community development. This role reinforces the importance of thoughtful, ethical decision-making and the understanding that public policy and planning decisions have meaningful, long-term effects on individuals, families, and neighborhoods.

As outlined in my résumé, my work has consistently centered on collaboration, ethical leadership, community enrichment, and stakeholder engagement. I would bring these same values to the Paradise Town Advisory Board, with a commitment to listening to residents, working constructively with fellow committee members and Clark County staff, and supporting recommendations that balance responsible growth with quality of life for Clark County communities.

Thank you for your time and consideration. I would be honored to contribute my experience and service-oriented perspective to the Paradise Town Advisory Board.

If you have, which one and what was your experience?

I have attended both CAC and PTAB meetings. Local governance has the most direct and immediate effect on our daily lives, and therefore, is very exciting and urgent. Paradise Town is such a totally unique township in its economic diversity. Where else in the USA are there hearings covering both neighborly disputes and plans for baseball stadiums in the same meeting?! For these reasons, I absolutely and thoroughly enjoy attending our township and county meetings.

Excellent experience!

I am a long time resident of Clark County and love it here. I am committed to the idea that everyday citizens can and should serve and do what they can to improve our quality of life in this unique and beautiful place that we call home.
