To Whom it May Concern,

I have lived in Nevada since 1986 and I have lived on the eastside since 1992, so, I have a deep love for the eastside community and culture. I also live where neighborhoods are zoned as rural with large lots and the ability to have farm animals such horses, chickens, and goats. My neighbors and I value our large lots and our ability to live freely and to allow others to live freely without undue interference.

It is important to me as the valley develops that long-standing zoning designations are not replaced with new zoning that will encourage nonresidential warehouses. The eastside community needs more parks, civic spaces, and affordable housing, not intrusive industrial development.

Based on these facts, I am interested in serving on the Sunrise Manor Town Board to offer my volunteer services. It is important to me that I contribute my time and perspective on possible important decisions.

Thank you,

Sondra Cosgrove
