Title 10 Considerations

Update definitions to current standards and best practices

Add clarifying language to dangerous/vicious animal section

Update cruelty impound section to match updated NRS

Make it a violation for the owner if their animal attacks and injures a person

Boarding facility/groomer certification and reporting ordinance

Title 10 Considerations

- Update Pigeon trapping requirements
- Add criteria for declaring a cat colony a nuisance
- Add violation section for misusing or providing false rabies certificates
- Update restrictions on home quarantines for biting animals
- Remove 24 hour hold for owner surrender animals
 - Improve chances for quicker adoption from shelter environment
