

INTERLOCAL COOPERATIVE AGREEMENT BETWEEN THE CLARK COUNTY SCHOOL DISTRICT  
AND CLARK COUNTY PARKS AND RECREATION - SAFEKEY PROGRAMS

Clark County Parks and Recreation operates after-school Safekey programs at Clark County School District (CCSD) sites and has requested to enter into an agreement with the CCSD Food Service Department to continue the provision of snacks and/or milk and bulk sales at participating Safekey programs for the 2025–2026 school year. Therefore, discussion and possible action on the approval of the Interlocal Cooperative Agreement to document the delivery and payment of snacks and/or milk and bulk sales for the Safekey program is recommended.

Part of the Safekey program involves providing snacks and/or milk to students who attend. The CCSD Food Service Department has provided snacks and/or milk at participating Safekey program sites since 1988, approximately. Through the proposed agreement for the 2025–2026 school year, the CCSD Food Service Department will supply snacks and/or milk and bulk sales delivered for a fee of cost plus ten percent. Locations of Safekey programs that require snacks and/or milk are indicated in Attachment A of the agreement.

If not approved, the CCSD Food Service Department will not provide snacks and/or milk and bulk sales for the participating Safekey programs. The Interlocal Cooperative Agreement has been reviewed by the Office of the General Counsel and approved as to form.

Discussion and possible action on approval of the Interlocal Cooperative Agreement between the Clark County School District Food Service Department and Clark County Parks and Recreation to continue to provide snacks and/or milk and bulk sales for participating Safekey programs during the 2025–2026 school year, and for the Superintendent of Schools, Clark County School District, and the President and Clerk, Clark County School District Board of Trustees, to sign the Interlocal Cooperative Agreement, is recommended.
