

Henderson District Public Libraries

Board of Trustees Application

(Note: This document and accompanying materials become public record once received by Clark County.)

Henderson Libraries seeks to cultivate a literate community by providing every citizen free access to books and information resources, as well as state of the art technology that supports work, school and recreational activities. The mission of the Henderson Libraries is to imagine possibilities, discover opportunities, and connect with the community.

The Board of Trustees for the Henderson District Public Libraries (Board of Trustees) exists pursuant to NRS 379.025 (h). The Board of Trustees consists of five (5) competent persons appointed by the Clark County Board of County Commissioners and two (2) competent persons appointed by the Henderson City Council.

Among its duties (NRS 379.025), the Board of Trustees shall hire a professional librarian to serve as the Executive Director of the Henderson Libraries, review and approve an annual budget, establish and review policies, and attend Board of Trustees meetings regularly.

The Board of Trustees meets the third (3rd) Thursday of the month at 7:45am.

Members serve four-year (4-year) terms and may not serve more than two (2) consecutive terms. Members must reside in the City of Henderson.

Application Overview:

If you are interested in applying for membership on the Board of Trustees, please complete the application below. If you have any questions related to the Board of Trustees or the application process, please email mlsmedley@hendersonlibraries.com

PROFESSIONAL SKILLS

- Project management
- Analysis, research, and data visualization
- Written and verbal communication
- Detail-oriented
- Excellent time management

RELEVANT EXPERIENCE

Imagine Learning (formerly Weld North Education, formerly Edgenuity)

Reporting & Analytics Director, February 2025—present

- Establish and oversee Customer Experience analytics and Tier 3 support strategy in alignment with internal teams to make data and analysis accurate and available for fact-based decision-making.
- Collaborate with product and engineering stakeholders across the company to conceptualize and craft requirements for new and enhanced data and reporting across entire product portfolio.
- Serve as lead technical and data expert in discussions with customers and internal staff.
- Develop, track, and maintain relevant metrics to provide visibility of reporting and Tier 3 team workload.
- Mentor internal departments and teams on best reporting practices and data visualizations.
- Lead a team of 9 in best practices, processes, and strategies.

Reports & Analytics Manager, April 2021—February 2025

- Managed intake, negotiation, prioritization, and execution of ad-hoc and recurring custom reports.
- Served as the lead technical and data expert in discussions with internal and external customers to promote data-driven decision making.
- Led a team of five analysts, including performance, report building, and best practices in data visualizations.
- Collaborated with product managers and product marketing to develop and evangelize a strong data story to help customers and internal staff use and understand data with confidence.

Research Project Manager, February 2017—April 2021

- Oversaw single-subject, matched comparison, regression discontinuity design, and randomized controlled trial research studies to document successes, including writing research proposals, surveys, organizing and managing data collection and analysis, and developing reports and presentations with results and recommendations.
- Provided research-based practice white papers, foundational research, and literature reviews that underpin K-12 online education products and services.
- Trained internal staff on report creation and data interpretation.

Research Consultant

Self-employed, October 2016—present

- Assisted clients with research, analysis, reporting, and data validation with projects such as: program endorsements, research briefs, survey writing, program inventories, and other labor market research studies.

Sharp HealthCare

Consumer Research Analyst, April 2016—January 2017

- Supported comprehensive market and patient satisfaction research processes within Sharp HealthCare to ensure all internal customers had access to meaningful data in a timely and useful manner.
- Utilized online focus group (Vision Critical Sparq) to gather insights from Sharp's patients, caregivers, employees, and physicians.

Kelley Ring

Las Vegas Metro Area | [REDACTED] | [REDACTED]

San Diego Workforce Partnership

Senior Business & Research Analyst, March 2015—April 2016

- Managed labor market information analysis projects and produced 3 to 6 reports annually with actionable recommendations.
- Facilitated workshops to train staff and community members to properly visualize, understand, interpret and utilize labor market and programmatic data.
- Maintained programmatic database and controlled information for research, analysis and program evaluation, including customer experience and/or customer satisfaction surveys.
- Designed customer-centered programs; was selected to present at the White House for a customer-centered project in February 2016.
- Supervised two research department staff, including determining work plans and conducting performance appraisals.

Business & Research Analyst, March 2014—March 2015

- Used strong knowledge of qualitative and quantitative research methods, including survey creation, to conduct labor market analyses, programmatic research and customer satisfaction research.
- Managed two contracts for programs that served workers who were recently laid off or at-risk of being laid off.
- Developed and grew relationships with local businesses, industry experts, industry associations, education providers, government bodies and community leaders throughout San Diego County.
- Assisted in planning and execution of the first San Diego Workforce Conference with over 350 attendees.

Research Assistant, November 2013—March 2014

- Utilized public and subscription databases for labor market information data analysis resulting in presentations, written articles, and data request responses for internal and external stakeholders.

Skills and Experience.

As a research and policy professional in the field of Education Technology, I work with data daily to ensure students in K-12 schools are succeeding. My diverse professional background spans workforce development, healthcare, and education, providing me with a broad perspective on community needs and resource management.

My early upbringing, where visits to the library were essential to exploring new worlds and participating in activities, instilled in me a lifelong appreciation for the role libraries play in fostering literacy and community engagement. I continue this tradition of visiting libraries with my family, emphasizing the importance of libraries in our lives.

Professionally, I have extensive experience in contract management, budget management, and people management. These skills are crucial for the Board of Trustees, as they involve overseeing the library's budget, establishing policies, and ensuring effective leadership. My ability to analyze data and use data to develop policies will contribute to informed decision-making and strategic planning for the future of Henderson Libraries.

Additionally, my commitment to community service through local and national charities and my understanding of the educational landscape will help me support the library's mission to imagine possibilities, discover opportunities, and connect with the community. I am dedicated to contributing to the Board of Trustees and helping Henderson Libraries thrive.
