**BACKGROUND:**

As prescribed by NRS 354.598005, the governing body shall be advised of the action to transfer appropriations between functions or programs within a fund. This action does not increase the total appropriations and is not in conflict with any other statutory provisions. The exact amounts to be transferred and the accounts, functions and funds affected are noted in the attachment. The purpose of the transfers is to realign appropriations with functional needs to adequately operate the County programs.
