BACKGROUND:

Clark County Department of Public Works and Clark County Department of Aviation executed a Memorandum of Understanding on February 21, 2024, to cooperate in the design and construction to install a power duct bank consisting of three (3) six-inch (6") power conduits, manholes switch/fuse cabinet, and related appurtenances within public right-of-way. Upon completion of construction of the Spencer Street between Russell Road and Twain Avenue project (No. PW.R244AFT), NV Energy will own and maintain all improvements constructed as part of the project. As a condition of acceptance for maintenance, NV Energy requests easements for the manholes switch/fuse cabinet.

The District Attorney's Office has reviewed and approved the easements as to form.
