SUPPLEMENTAL QUESTIONS

1. What kind of experience do you have with public administration or serving on a board?

I have attended many board meetings as an observer. To name just a few...The Clark County School District, The Public Utility Commission, Coca Cola Stock, PBS Las Vegas, and Nevada Preservation Society. I also served on PTA and PAC boards when my children were young.

2. Describe your interest in serving as a hearing board member. Include information not already mentioned about yourself, your experience, and background that supports your interest.

I am a lifelong resident of Las Vegas (I was born and raised here) and would like an opportunity to give to the community. I am truly concerned about our always growing population and its affect on the environment.

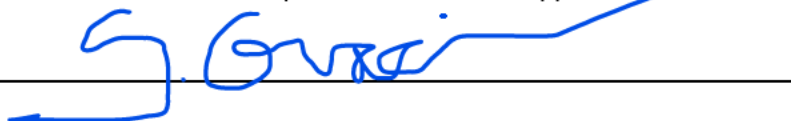

3. A hearing board member appointed under this section should have a working knowledge of air quality issues, arbitration, law and/or engineering. What specific education or experience do you have in these areas?

I have personal desire to have a positive influence on the environment by being aware of air quality issues. I also have many years of experience in the engineering field.

I am able to be impartial, honest, and forthcoming in all decisions regarding any issues brought before the board.

I verify all statements made on this application are true and complete to the best of my knowledge. I understand any false statements or incomplete information may be cause for rejection of my application or not to be considered. I understand the County may make inquiries of my employers to verify experience. My signature below authorizes Clark County to conduct a background check on all education and experience as it relates to the hearing board member position. I understand that upon submission this application becomes a public record.
