Public Works - Development Review

- Drainage study and compliance;
- Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- Traffic study and compliance;

- Full off-site improvements;
- Right-of-way dedication to include 55 feet to the back of curb for Decatur Boulevard, 35 feet to the back of curb for Serene Avenue, and associated spandrel;
- 30 days to submit a Separate Document to the Map Team for the required right-of-way dedications and any corresponding easements for any collector street or larger;
- 90 days to record required right-of-way dedications and any corresponding easements for any collector street or larger;
- All other right-of-way and easement dedications to record with the final map;
- If required by the Regional Transportation Commission (RTC), dedicate and construct right-of-way for bus turnout or combination right turn lane/bus turnout on the west side of Decatur Boulevard, as close as practical to Serene Avenue including a passenger loading/shelter areas in accordance with RTC standards;
- Coordinate with Public Works - Design Division for the Decatur Boulevard improvement project;
- Dedicate any right-of-way and easements necessary for the Decatur Boulevard improvement project.
- Applicant is advised that the installation of detached sidewalks will require dedication to back of curb and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control; and that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.

Current Planning Division - Addressing

- Approved street name list from the Combined Fire Communications Center shall be provided;
- Private streets shall have approved street names and suffixes;
- Street K is an extension of Meranto Avenue and shall assume the same name.

Department of Aviation

- Applicant is advised that issuing a stand-alone noise disclosure statement to the purchaser or renter of each residential unit in the proposed development and to forward the completed and recorded noise disclosure statements to the Department of Aviation's Noise Office is strongly encouraged; that the Federal Aviation Administration will no longer approve remedial noise mitigation measures for incompatible development impacted by aircraft operations which was constructed after October 1, 1998; and that funds will not be available in the future should the residents wish to have their buildings purchases or soundproofed.

Clark County Water Reclamation District (CCWRD)

- Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0411-2020 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.
