

CLARK COUNTY BOARD OF COMMISSIONERS

AGENDA ITEM

Petitioner: Vincent V. Queano, Director of Business License

Recommendation:

Approve and authorize the Chair to sign a Wireless Communications Incentive Agreement between Clark County and Bell Atlantic Mobile Systems LLC, d/b/a Verizon Wireless, allowing Verizon Wireless to modify certain terms of its Master Wireless Use License Agreement regarding fees and terms; and providing for other matters properly related thereto. Commission District: All (For possible action)

FISCAL IMPACT:

Fund #:	4180	Fund Name:	Resort Corridor
Fund Center:	1260 110001	Funded PGM/Grant:	N/A
Amount:	(see below)		
Description:	Requirement Contract for Smart Poles		
Additional Comments:	For payment of a capital contribution of \$22,850.00 per smart pole the Licensee can reduce their annual recurring fee per location from \$2,850.00 to \$565.00 for certain smart poles on Las Vegas Blvd.		

BACKGROUND:

Bell Atlantic Mobile Systems LLC (d/b/a Verizon Wireless) is a communication service company that has requested that it be allowed to use space on public streetlight poles to install antennas and other equipment necessary to provide wireless communication services in the County. This Agreement would allow Verizon Wireless to remit a capital contribution of \$22,850.00 per smart pole site on Las Vegas Blvd. and reduce its annual per site cost from \$2,850.00 to \$565.00. This agreement would also provide for 2 five-year extensions of the Master Wireless Use License Agreement.

The Board is requested to approve the attached Wireless Communications Incentive Agreement with Bell Atlantic Mobile Systems LLC.
