Town Advisory Board (TAB)/ Citizens Advisory Council (CAC) **Application**

(Note: This document and accompanying materials become public record once received by Clark County.)

Town Advisory Boards (TAB) and Citizens Advisory Councils (CAC) were created to assist the Board of Clark County Commissioners (County Commission) in an advisory capacity with the decision-making process in supplying public services to the unincorporated towns or areas of Clark County. There are five (5) TABs that are elected and eight (8) that are appointed by the County Commission. There are also six (6) CACs that are appointed by the County Commission.

Each TAB or CAC consists of area residents and serve as formal direct channels to the County Commission allowing for greater input into the future of their towns or areas. These members serve without compensation for two-year (2-year) terms and have the responsibility of assisting the County Commission, in an advisory capacity, in the governance of the unincorporated town or area by acting as a conduit between the residents and the County Commission.

TABs and CACs hold regular, public meetings throughout the year. At these meetings, members of the TABs and CACs are informed of matters pertaining to their respective town or area, provide input regarding various matters, forward the concerns or problems of residents to the County Commission, assist in long-term planning, and disseminate information of interest to the residents of the town or area. All meetings are subject to the Nevada Open Meeting Law (NRS Chapter 241).

Information on Elected TABs:

The following TABs are elected pursuant to NRS 269.576 (7): Bunkerville, Laughlin, Moapa, Moapa Valley, and Searchlight. Elected TAB members do not serve at the pleasure of and may not be removed by the County Commission.

Application Overview:

If you are interested in applying for membership on a TAB or CAC that has a vacancy, you must meet two (2) criteria: 1) be a qualified elector; and 2) be a resident of the unincorporated town or area encompassed by the TAB or CAC.

Greetings:

I have lived in Las Vegas for close to 40 years. I am interested in the position on the Enterprise Town Advisory Board because I have a keen interest in the development of the area where I have chosen to live. Having lived in the Enterprise Township for 16 years, I have seen the greatly increased development that has occurred. I have attended numerous Enterprise TAB meetings in order to stay informed and express my opinion on the developments as they happen. Although I am not always happy with the nature of certain developments, I understand land ownership and land development regulations enough to be satisfied to know that there are usually valid reasons for the decisions that are made.

I have over 20 years of experience as a paralegal in the Las Vegas area, having worked with several law firms, including gaming and litigation firms, as well as working in-house as a paralegal for 8 years with the real estate developer, The Howard Hughes Corporation. While working for the Howard Hughes Corporation, I worked with numerous real estate development issues, including working on various development agreements with both the City of Las Vegas and Clark County. I also sat on the Board of the Summerlin South Homeowner's Association.

Currently I am working in the Regulatory Compliance department of Everi, ensuring company compliance with gaming regulations and handling the occupational licensing of its employees who are required to hold gaming licenses.

I earned my Bachelor of Arts degree from the University of Nevada, Las Vegas.
