1. Discuss the current phase of the Transform Clark County Master Plan & Development Code rewrite process, focusing on the draft Area-Specific Policies and consolidated Land Use Categories. Clark County is seeking assistance from Town Advisory Boards (TABs) and Citizen Advisory Councils (CACs), and community-members in different parts of the County to help review and provide input on the portions of the draft materials that pertain to their Planning Areas and local communities. This is your opportunity to provide feedback to the County on the process and to ensure the updated Master Plan reflects what's important to your community. (For Discussion only)

Comprehensive Planning was unable to attend. Representative Diane Kendall provided a brief update.
