BACKGROUND:

On September 20, 2016, the Board of County Commissioners approved a professional engineering services contract with Parsons Brinckerhoff, Inc. (now known as WSP USA Inc.) to provide engineering services for the design of the Jones Boulevard between Cactus Avenue and Blue Diamond Road project (No. PW.R033R16).

The Board previously approved Supplemental Nos. 1 and 2 to the professional engineering services contract with WSP USA Inc. for additional engineering services, to increase total funds, and split the project into two phases for the Jones Boulevard from Cactus Avenue and Blue Diamond Road project.

The attached Supplemental No. 3 to the professional engineering services contract with WSP USA Inc. is needed to complete the Special Services 2.03 for the project and extends the time of performance to December 31, 2022, unless further time extensions are granted.

WSP USA Inc. currently holds a Clark County Business License.

District Attorney's Office has reviewed and approved the third supplemental contract as to form.
