BACKGROUND:

The Moapa Valley Television Maintenance District (District) was created on April 7, 1959, and now operates under NRS Chapter 318. The District is governed by a five-member (5-member) Board of Directors, and terms of the members are four years (4-years).

At the June 1, 2021, Clark County Board of County Commissioners (County Commission) meeting, the County Commission made appointments to the Board of Directors due to vacancies after the 2020 General Election. NRS 318.090 provides that the County Commission may appoint members until the next general election.

Greg Winzenreid submitted his resignation to the District’s Board of Directors on November 2, 2021. He was appointed in June 2021 for the remaining two-years (2-years) of a new four-year (4-year) term. Additionally, Bryan Dorsey submitted his resignation to the District’s Board of Directors on November 2, 2021. He was appointed in January 2021 for the final two-years (2-years) of a four-year (4-year) term.

At the January 4, 2022, District’s meeting, Rondalene Brandon and Todd Livingston were selected as the new Board members by the District’s Board of Directors. Rondalene Brandon will serve the remainder of the final two-years (2-years) of a four-year (4-year) term vacated by Bryan Dorsey. Todd Livingston will serve the remainder of the first two-years (2-years) of the new four-year (4-year) term vacated by Greg Winzenreid. The selections were transmitted to the County Commission for appointment.

The County Commission is asked to appoint Rondalene Brandon and Todd Livingston to serve on the Moapa Valley Television Maintenance District Board of Directors until the 2022 General Election.
