Good morning Cora & Fiscal Team,

Our Hearing Officer Michelle Tobler rendered a total of 13.1 hours to prepare for, convene & issue a decision on a Fair Hearing. I can attest that these services were **justified and necessary** in that multiple witnesses testified at the Hearing thereby requiring a lengthy Decision to assess credibility of every witness as well as the plethora of documentary evidence that was submitted for consideration. I have approved Invoice A which for the maximum of 10.0 hours. The remaining balance of 3.1 hours will need to be submitted to the BCC for approval of Invoice B. For your reference, we have also attached Invoice Letter which includes the total hours and the Hearing Officer's justification pursuant to Clark County Code 2.68.060.

I fully support making our Hearing Officer whole by compensating her for all services rendered on behalf of the children and families we serve. I thank you in advance for expediting this for BCC approval. Meanwhile, Fiscal Team please process payment for the 10.0 hours.

Please let me know if there is anything more we can do. Thank you!

Dear Crystalyn,

Attached please find the Appeal Hearing Decision for the      matter. I apologize for the delay in getting this to you. My computer crashed last week, and I was having difficulty recovering documents.

Also attached are three invoices for this matter as I exceeded the allotted 10 hours in this case: Invoice A, Invoice B to be sent to the board for anticipated approval, and the original invoice.

Thank you,
