Good afternoon Cora, Raj, Fiscal & Contracts Team.

Please assist me with: (1) rendering immediate payment on Invoice A and (2) placing payment of Invoice B before BCC for approval pursuant to Clark County Code 2.68.060.

Hearing Officer Michelle Tobler expended a total of 12.8 hours to prepare for, preside over and render a Decision on the Hearing. These services were justified and necessary. As a result, she is entitled to compensation totaling \$896.00. In efforts to compensate Ms. Tobler for her services, I have signed and approved payment of Invoice A for 10.0 hours totaling \$700.00. Please facilitate payment for Invoice A.

Meanwhile, as to the remaining balance of \$196.00, please place this before the BCC for approval. For your reference, please utilize Invoice B wherein Ms. Tobler states, in accordance with Clark County Code 2.68.060, that: *"The services provided were justified and necessary in this matter where there was voluminous documentary evidence containing multiple statements given by several witnesses on different occasions. The Decision on the hearing was 9 pages long due to the analysis required of the various witness statements."*

Let me know if there is anything I can do to facilitate this. I've included Ms. Tobler on this email. Thank you in advance for your follow through on this.
