These commissions are being combined in FY23 and accounted for jointly in the CC Tech Fee Fund, which was created by ordinance.

The money in the account must be used for the acquisition and improvement of technology in the office of the county clerk, and must be used only in the office of the county clerk, including, without limitation to:

The County Clerk now submits this report to the Board of County Commissioners, which contains a general plan for expenditures of the proceeds from the additional commission collected.
