RE: Asian-American and Pacific Islanders Community Commission Vacancy Application

Dear Mr. Harrison:

Unlike other minority groups, Asian-Americans in our valley have been relatively less united, less visible, less protected, and less politically active. The recent surge in violence against Asian-Americans demanded our society to change our course both on a national and local level. The permanent establishment of the Asian-American and Pacific Islanders Community Commission (AAPICC) by the County Commission could not have been timelier and has brought much needed local governmental support for our community. I want to join the dedicated members of AAPICC in addressing challenges our Las Vegas valley AAPI community faces and politely apply for the vacancy.

As a Mongolian-American, I have the firsthand knowledge of many challenges other Asian-Americans face in our Las Vegas valley. Further, my years of involvement with the Junior League exposed me to wider hidden problems our Las Vegas residences are faced with—ranging from lack of access to health insurance to language barriers. Additionally, as a newly minted citizen review board member at the LVMPD, I gained valuable knowledge in serving on a county board. I am confident my commitment to improving our community and relevant experiences would make me a great addition to your commission.

I have enclosed a copy of my resume for your consideration. I look forward to hearing from you. Thank you for your time and attention.

Best regards,

/s/ Naomi Gregoryan
