BACKGROUND:

NRS 278.030 provides for the creation of the Clark County Planning Commission (Planning Commission), and that the Planning Commission shall consist of seven (7) members. The Planning Commission makes recommendations to the Clark County Board of County Commissioners (County Commission) on the comprehensive plan, including the various land use plans, non-conforming zone changes, and certain other types of land use applications. With some exceptions, their decisions are final action on land use requests and subdivision maps.

Pursuant to NRS 278.040, appointments to the Planning Commission are made by the Chairperson of the County Commission with the approval of the governing body. The term of a Planning Commission member is coterminous with the term of the member of the County Commission who recommends his or her appointment.

Effective immediately, the County Commission is asked to remove Jenna Waltho as Planning Commissioner and appoint the following qualified individual:

- Liane Lee (nominated for appointment by Commissioner Michael Naft)

The County Commission is asked to appoint one (1) qualified individual to the Clark County Planning Commission for the remainder of a four-year (4-year) term ending January 6, 2025.
