**Analysis****Public Works - Development Review**

Staff has no objection to the vacation of patent easements that are not necessary for site, drainage, or roadway development.

**Staff Recommendation**

Approval.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Master Plan, Title 30, and/or the Nevada Revised Statutes.

**PRELIMINARY STAFF CONDITIONS:****Current Planning**

- Satisfy utility companies' requirements.
- Applicant is advised that the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that the

recording of the order of vacation in the Office of the County Recorder must be completed within 2 years of the approval date or the application will expire.

**Public Works - Development Review**

- Vacation to be recordable prior to building permit issuance or applicable map submittal;
- Revise legal description, if necessary, prior to recording.
- Applicant is advised that the installation of detached sidewalks will require the recordation of this vacation of excess right-of-way and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control.

**Fire Prevention Bureau**

- Provide a Fire Apparatus Access Road in accordance with Section 503 of the International Fire Code and Clark County Code Title 13, 13.04.090 Fire Service Features.
- Applicant is advised that dead-end streets/cul-de-sacs in excess of 500 feet must have an approved Fire Department turn-around provided; and that fire/emergency access must comply with the Fire Code as amended.
