**BACKGROUND:**

**Project Description**

The plans depict the vacation and abandonment of several rights-of-way. On the north side of the site, a 5 foot wide and 100 foot long section of Chartan Avenue will be vacated. Within the central portion of the site, two 30 foot wide and 100 foot long sections of Terrill Avenue will be vacated. On the east side of the site, Giles Street, which extends south of Chartan Avenue approximately 700 feet and terminates in one half of a cul-de-sac, will be vacated.

According to the applicant, the rights-of-way are not needed for the proposed multiple family development, which is a companion application. A portion of Chartan Avenue will be vacated to accommodate a detached sidewalk, and the portions of Terrill Avenue will be vacated since this right-of-way alignment does not continue east or west of the site. Lastly, the vacation and abandonment of Giles Street was requested by Public Works since it is not efficient to maintain the roadway improvements for a single residence.
