BACKGROUND:

On April 18, 2022, the Clark County Department of Aviation (DOA) sent its proposed Fiscal Year 2023 (FY2023) budgeted rentals, fees and charges to the LAS Airline and Airport Affairs Committee (LAS AAAC) for review and comment. The rentals, fees, and charges were calculated in accordance with the rate-making methodology contained in the Airline-Airport Use and Lease Agreement. LAS AAAC and DOA met on April 20, 2022, to further review and discuss the proposed FY2023 budget and rate calculations. The net result of the proposed budget is a decrease of \$3.86 to the cost per enplaned passenger. The LAS AAAC unanimously approved the FY2023 proposed budget and sent their formal approval letter on April 25, 2022.

All material questions and comments received from the LAS AAAC, collectively or individually, were satisfactorily addressed by the DOA. This amendment to Clark County Code, Title 20, Chapter 20.10, Section 20.10.010 would amend the rentals, fees, and charges at Harry Reid International Airport, in accordance with approval from the LAS AAAC.
