BACKGROUND:

The Nevada Department of Transportation (NDOT) is designing a project to reconstruct Sahara Avenue between Rainbow Boulevard and Rancho Drive. NDOT has prepared 30% design documents at this time. Portions of the project will be constructed on Clark County right-of-way and impact County-maintained facilities.

The attached Cooperative Agreement No. NM192-22-816 defines the responsibilities, actions, conditions, and terms before, during and after construction of the aforementioned project as they relate to both the County and NDOT.
