Town Advisory Board (TAB)/ Citizens Advisory Council (CAC) **Application**

(Note: This document and accompanying materials become public record once received by Clark County.)

Town Advisory Boards (TAB) and Citizens Advisory Councils (CAC) were created to assist the Board of Clark County Commissioners (County Commission) in an advisory capacity with the decision-making process in supplying public services to the unincorporated towns or areas of Clark County. There are five (5) TABs that are elected and eight (8) that are appointed by the County Commission. There are also six (6) CACs that are appointed by the County Commission.

Each TAB or CAC consists of area residents and serve as formal direct channels to the County Commission allowing for greater input into the future of their towns or areas. These members serve without compensation for two-year (2-year) terms and have the responsibility of assisting the County Commission, in an advisory capacity, in the governance of the unincorporated town or area by acting as a conduit between the residents and the County Commission.

TABs and CACs hold regular, public meetings throughout the year. At these meetings, members of the TABs and CACs are informed of matters pertaining to their respective town or area, provide input regarding various matters, forward the concerns or problems of residents to the County Commission, assist in long-term planning, and disseminate information of interest to the residents of the town or area. All meetings are subject to the Nevada Open Meeting Law (NRS Chapter 241).

Information on Elected TABs:

The following TABs are elected pursuant to NRS 269.576 (7): Bunkerville, Laughlin, Moapa, Moapa Valley, and Searchlight. Elected TAB members do not serve at the pleasure of and may not be removed by the County Commission.

Application Overview:

If you are interested in applying for membership on a TAB or CAC that has a vacancy, you must meet two (2) criteria: 1) be a qualified elector; and 2) be a resident of the unincorporated town or area encompassed by the TAB or CAC.

Letter of Interest / Citizens Advisory Council Chair / Sandy Valley NV

Dear Members of the Board,

Please consider my application for the open seat. I've always been an active member of the communities I've lived in and now that Sandy Valley is my home I have a great interest in the town's activities, growth and future.

I've owned my Sandy Valley property since 2014 and have been a resident here since 2017. I love the peace and beauty of this valley and I have no current or future plans to leave it.

I'm an active patron of the local businesses and I have great hopes for all of them to grow and prosper.

Skills & Experience

I moved here from Pennsylvania where I worked eleven years for UPS. I transferred to the Las Vegas hub and have been there now for five years.

In addition to working for UPS I have my own business. I'm licensed by the state of Nevada to provide handyman services. I operate this side business on an "as needed" basis for when my hours at UPS are less than required to maintain my budget. Through this business I've been privileged to meet and help many of the valley residents with their household repairs. My jobs take me to many different parts of the valley and I've become very familiar with many areas.

I was raised on a forty acre farm which taught me hands-on knowledge concerning crops, livestock, and machinery. Farm life provided me with a deep appreciation for hard work.

I graduated high school and went directly into the Marine Corp. I served from 1982 to 1988 and left with an honorable discharge. They taught me discipline and gave me a good moral compass. I learned countless skills during my service and they instilled in me a strong love for God, Country, and Family.

I've been married for 28 years and I'm just as committed to everything else that I choose to participate in.

I have no criminal record, nor do I use any form of illegal drug.

I'm a registered voter and I use that privilege every time there's an opportunity.

I appreciate your consideration and I look forward to serving the Sandy Valley community through this board.

Regards,

Rusty S. Fogel
