Hi again Tammy,

I need to put a item on the BCC agenda for formal recognition of the donation. Could you write a quick note or letter PDF with the following information: number of items (154), description (vehicle windshield snow cover), approximate value (\$15 each X 154 total \$2310).

It could look like the following, for example:

Amazon Las Vegas
Address

8/4/22

Brian O'Neal
Clark County Fire Department
Rural Division
575 E Flamingo
Las Vegas NV 89119

I am pleased to provide a donation from Amazon for 154 snow visors for vehicles with an approximate total value of \$15 each and a total value of \$2310. I hope you are able to employ these items in snow prone areas across Southern Nevada.

Sincerely,

Tammy Brandt

Thank you,
