To Whom It May Concern,

This letter is to express an interest in the open seat on the Winchester Town Advisory Board.

I have been a resident of the north side of Paradise Palms for close to 3 years and relocated to the Las Vegas Valley from the Northeast 7 years ago. An active volunteer at Nevada Preservation Foundation I have a passion for developing an interest in historic preservation as a part of our local culture such as commonly seen in the older parts of the country. Additionally I have held my real estate license for the last 5 years and while I am not active in the field it has given me a nice familiarity with many of our city & state statutes. Professionally I have spent over the last 20 years in hospitality. Currently a tour guide with a local food tour my job entails creating relationships with guests from all different values and backgrounds which when combined with the global events of the last few years has sharpened my skills of listening and diplomacy. In short I have learned to connect with and appreciate the perspectives of almost everyone.

My interest in serving in such a capacity has peaked since the period earlier this year when we were trying to pass the Historic Overlay of Paradise Palms. During this time there was a lot of false information being disseminated throughout the neighborhood and I found myself having conversations with people who not only had been given false information but, had their own concerns about the trajectory of their quickly evolving neighborhood. Some of those misgivings surprised me having come here from the East Coast where reverence for the local history is a common source of identity and pride. It didn't however make those concerns any less valid.

In the three years I have been in my home I have watched as renewed interest in this part of the valley continues to rise. It's an exciting progression and both new and long term residents in the surrounding neighborhoods are more invested than ever in what the future holds for the community. There are few though willing or able to attend town meetings or keep regularly abreast of developments as they arise. For this reason I feel compelled to be of service.

Sincerely,  
April Mench

## **Town Advisory Board (TAB)/ Citizens Advisory Council (CAC)** **Application**

**(Note: This document and accompanying materials become public record once received by Clark County.)**

Town Advisory Boards (TAB) and Citizens Advisory Councils (CAC) were created to assist the Board of Clark County Commissioners (County Commission) in an advisory capacity with the decision-making process in supplying public services to the unincorporated towns or areas of Clark County. There are five (5) TABs that are elected and eight (8) that are appointed by the County Commission. There are also six (6) CACs that are appointed by the County Commission.

Each TAB or CAC consists of area residents and serve as formal direct channels to the County Commission allowing for greater input into the future of their towns or areas. These members serve without compensation for two-year (2-year) terms and have the responsibility of assisting the County Commission, in an advisory capacity, in the governance of the unincorporated town or area by acting as a conduit between the residents and the County Commission.

TABs and CACs hold regular, public meetings throughout the year. At these meetings, members of the TABs and CACs are informed of matters pertaining to their respective town or area, provide input regarding various matters, forward the concerns or problems of residents to the County Commission, assist in long-term planning, and disseminate information of interest to the residents of the town or area. All meetings are subject to the Nevada Open Meeting Law (NRS Chapter 241).

### **Information on Elected TABs:**

The following TABs are elected pursuant to NRS 269.576 (7): Bunkerville, Laughlin, Moapa, Moapa Valley, and Searchlight. Elected TAB members do not serve at the pleasure of and may not be removed by the County Commission.

### **Application Overview:**

If you are interested in applying for membership on a TAB or CAC that has a vacancy, you must meet two (2) criteria: 1) be a qualified elector; and 2) be a resident of the unincorporated town or area encompassed by the TAB or CAC.
