

CLARK COUNTY BOARD OF COMMISSIONERS
ZONING / SUBDIVISIONS / LAND USE
AGENDA ITEM

Petitioner: Nancy A. Amundsen, Director, Department of Comprehensive Planning

Recommendation: ORD-22-900510: Conduct a public hearing on an ordinance to amend the Planning Area Amendment and Zone Boundary Amendment processes and other related requirements in Title 30, and direct staff accordingly. (For possible action)

FISCAL IMPACT:

None by this action.

BACKGROUND:

On July 20, 2022, the Board of County Commissioners (Board) directed staff to draft an ordinance modifying the procedures for Planning Area Amendments and Zone Boundary Amendments. Any proposed zone boundary amendment that is not consistent with a planning area map will be required to process a concurrent plan amendment.

These new policies and procedures will give residents of the County a clearer understanding of the changes being proposed and adopted. Changing the zoning as well as the underlying planned land use will bring the County in line with the other local jurisdictions. In addition, other agencies and entities will be able to place more reliance on the Master Plan in order to determine their future needs.

The ordinance includes a provision that any application pre-review for a zone boundary amendment inconsistent with the Master Plan must hold a neighborhood meeting prior to the effective date of this ordinance. Any pre-reviews not meeting this deadline shall be required to process a plan amendment concurrent with the zone change request.

Staff recommends the Board conduct a public hearing.
