BACKGROUND:

On December 21, 2021, the Board of County Commissioners approved a pre-qualification list to be used to select professional service providers for the period of January 1, 2022 through December 31, 2023. CA Group, Inc. (Corporation) was selected from the pre-qualification list, [Services] Construction Management - Administration - Major, to provide construction management services for the Sammy Davis Jr. Drive between Frank Sinatra Drive and Sahara Avenue project (Bid No. 606159-22).

Due to Clark County Department of Public Works' present and anticipated project workload, the services of an outside consultant for project management are needed. County staff negotiated the attached professional project administration and construction management services contract with CA Group, Inc. The contract describes the services to be provided and stipulated terms. The time of performance is effective to December 31, 2024, unless time extensions are granted.

CA Group, Inc. currently holds a Clark County Business License.

Pursuant to the Nevada Revised Statute 332.115(1)(b), contracts for professional services are not adapted to award by competitive bidding and, therefore, are exempt from the bidding requirements.

The District Attorney's Office has reviewed and approved the contract as to form.
