Evaluator A – Has devoted her career to the human services field for more than 20 years. Her experience has taken her to many settings including community-based drug prevention programs, psychiatric inpatient, group homes, substance abuse treatment, homeless services, suicide prevention, community coalitions and local government. She has served in many direct service and administrative roles including mental health technician, youth mentor, recreation therapy worker, substance abuse counselor, agency and program leadership, program development, grants management, training & facilitation, and accreditation & compliance. She holds a Master's Degree in Social Work with a concentration Management and Community Practice.

Currently, she is an Assistant Manager at Clark County Social Service and serves as the Project Director for the Ryan White Part A and Ending the HIV Epidemic grants where she leads a team of seven paid staff, 10+ vendors and 17 subrecipients to deliver and continuously improve services to people with HIV across the TGA. She has been on the Board of Directors for the Nevada Coalition for Suicide Prevention since 2012 and has been teaching in UNLV's School of Social Work since 2018.

Evaluator B – Has worked in the field of grants management and program development for 30 years. His experience has allowed him the opportunity to manage and develop a variety of health, educational and social service programs for universities, governmental agencies, tribal groups and non-profit organizations in Washington, Alaska, and Nevada. Currently he holds the position of Management Analyst II overseeing the monitoring and compliance of the Clark County Office of HIV Ryan White Program. He has served on various community boards including the Tri-County Transportation Commission, Spokane County Substance Abuse Board and appointed to the Washington State Commission on Hispanic Affairs. He is also a Veteran of the United States Air Force.

Evaluator C – She is the Fiscal Coordinator for the State of Nevada's Office of HIV. She currently prepares, monitors, and maintains the Ryan White Part B Program, Nevada Medication Assistance Program and Housing Opportunities for Persons with AIDS (HOPWA) biennial budgets; while projecting future costs; and monitoring fiscal transactions to ensure expenditures follow Federal, State and department regulations and budgetary limits. She also conducts fiscal comparisons; compiles and analyzes data; prepares and presents reports summarizing study results/conclusions; and makes recommendations regarding fiscal procedures. She assists with preparing grant applications to secure federal funding for State and/or State sponsored programs. She works with the program manager and staff to review and evaluate proposals submitted by organizations for program funding; provides guidance and technical assistance to service providers to ensure fiscal operations comply; oversees grants management, program planning, interpretation and analysis of fiscal regulations.

Evaluator D – She is a Grant Program Coordinator at the City of Las Vegas Department of Neighborhood Services. She administers the Housing Opportunities for Persons with AIDS (HOPWA) grant, and oversees the management, operation, and capacity of several project sponsors responsible for the implementation of the day-to-day activities of the program. The City of Las Vegas currently serves as a pilot for the HUD’s HOPWA Program Racial, Gender, and LGBTQ Equity Initiative. She also serves as a member of the Southern Nevada Homelessness Continuum of Care board, and the Las Vegas Ryan White Part A Planning Council.

Evaluator E – She is committed to building capacity within the Las Vegas community, by providing training and technical assistance to community providers and partners. She began her career in social work 11 years ago gaining experience providing direct service to diverse populations in need. Currently she is a Management Analyst for the Office of HIV at Clark County Social Service, committed to serving individuals who have been impacted by HIV and educating the community to limit new infections. She is a proud and active member of Sigma Gamma Rho Sorority, Inc, whose mission is to enhance the quality of life for individuals through community service, civil and social action.
