BACKGROUND:

The Regional Flood Control District (RFCD) has programmed funds to design and construct flood control improvements. On August 12, 2021, the Clark County Regional Flood Control District (RFCD) approved an interlocal contract, in the amount of \$520,000, for the Flamingo, Cimarron Branch between Russell Road and Patrick Lane project (Project No. PW.FCLA01F) as described in its 2018 Clark County Flood Control Master Plan Update, Structures No. FLCM 0003. The Board of County Commissioners approved this interlocal contract on September 21, 2021.

The attached Supplemental No. 1 to the interlocal contract reallocates funds by reducing design engineering and adding line items for right-of-way and environmental.

RFCD approved the first supplemental contract at its meeting on October 13, 2022.

The District Attorney's Office has reviewed and approved the first supplemental contract as to form.
