Contract Number and Title:	21-027 - Trail Maintenance Volunteer Coordination
Estimated (Annual) Award Amount:	\$ \$200,000
Current Term Expires:	June 30, 2022

Justification for Selection of Consultant/Agency/Supplier:

This Consultant has been performing the contract responsibilities above any and all expectations since they started in December of 2018. They take pride in coordinating trail cleanup events all of the valley. They provide a robust report monthly and one annual report summarizing all of the volunteer hours spent to keep the trails clean. They also go out of their way to note any potential deficiencies that may be present and notify the respective agency so they can repair the deficiency.

It has been and continues to be a pleasure to have them on board.

The Department's staff has reviewed the costs defined in this contract and found them to be equitable for the products supplied/services to be performed. I hereby submit this information for recommendation for a contract renewal to be approved by the RTC Chief Executive Officer.
