**BACKGROUND:**

On September 20, 2016, the Board of County Commissioners approved a professional engineering services contract with Parsons Brinckerhoff, Inc. (now known as WSP USA Inc.) to provide engineering services for the design of the project for Jones Boulevard between Cactus Avenue and Blue Diamond Road (Project No. PW.R033R16).

The Board previously approved three supplementals to the professional engineering services contract to extend the contract term and increase total funds to the current and revised amount of \$1,320,905 for the subject project.

The attached Supplemental No. 4 to the professional engineering services contract with WSP USA Inc. extends the time of performance to June 30, 2023, unless further time extensions are granted, to complete the Special Services 2.03 for the project.

WSP USA, Inc. currently holds a Clark County Business License.

The District Attorney's Office has reviewed and approved the fourth supplemental contract as to form.
