Summary:

Clark County's Urban County CDBG Consortium for FY 2020-2023 includes the unincorporated County, Boulder City, and Mesquite. The Cities of North Las Vegas, Las Vegas, and Henderson elected not to participate in the CDBG consortium agreement. However, the City of North Las Vegas will continue to participate with the county's HOME Consortium for FY 2020-2023.

An ordinance was adopted on October 20, 1981, creating a citizens advisory committee to enhance public accountability during the CDBG, ESG, and HOME program planning, application, and implementation phases. MIR #5470, issued August 27, 2009, explains the role and purpose of the CDAC, including its long history of citizen involvement and participation.

The CDAC consists of a potential 36 members; a representative from each of the nineteen (19) town advisory boards and citizens' advisory councils and fourteen (14) at-large members appointed by the Commission. CDAC membership also includes one representative from each of the three (3) participating cities of North Las Vegas, Boulder City, and Mesquite that serve as non-voting members.
