For the following questions, please feel free to attach additional pages as necessary.

Have you attended a TAB or CAC meeting in Clark County? Yes ☒ No ☐

If so, which one and what was your experience?

I have attended LTAB meetings and was also a member of the LTAB for 7 months

Please list any boards or committees that you currently serve on:

None

Why are you interested in becoming a member of your TAB or CAC?

I have a passion for Laughlin, its citizens and its growth and what can be achieved in the future. Since I was last a member, I feel the LTAB has more of a voice and is being heard by the citizens as well as the commissioners. I have a Facebook page called "Laughlin Inquiring Minds" in which I visited with at least 15 different businesses, organizations and county buildings. Doing this I have met a lot of people and found out what they do for the community and how I can be more understanding with their needs. This also gives me the ability to ask the questions of the different organizations who present their reports and can ask the questions I feel the ordinary citizens of Laughlin want asked.

I verify by my signature below that all statements made on this application, as well as attached information, are true and complete to the best of my knowledge. Subject: Letter of Interest for Consideration for Laughlin Town Advisory Board (LTAB)

I would like to be considered as an appointment to the LTAB commencing in January 2023. I feel I would be a good candidate for the following reasons:

1. I am an Air Force Veteran fully involved in our local American Legion Post 60 as a previous executive board member and regular member.
2. I am a master's Level Counselor, now retired. I worked with many different populations to include drug and alcohol, domestic violence and sex offenders in many different facilities to include jail and prison.
3. Previously I attended almost all the LTAB meetings. By hearing different needs of some of the presenters, was instrumental in sending six 4-H children to camp. Consulted with the LVMPD about doing a community safety talk, helping raise money for Shop with a Cop through my associations with the American Legion and Laughlin ELKS. Suggested different programs to the public library which came to be.
4. Started a Facebook page called Laughlin Inquiring Minds in which I went to all the different agencies who presented to the LTAB to find out more about what they do for our community. This way I could ask intelligent questions to the presenters in a way the locals wanted asked. Started this when I was on the LTAB previously, so I understood more about what they do for the citizens of Laughlin. After the pandemic, I revisited some of my original visits and updated on the site.
5. Coordinator for Loving Hearts and Hands Knit and Crochet Group which supports the Colorado River Food and Clothing Bank with hats/fingerless mitts and other items, Westcare Domestic Violence Shelter, Sunridge Village Nursing Facilities, local hospital nurseries, Boulder City Veteran's Home, pediatric cancer patients, LVMPD Laughlin Shop with a Cop and many other organizations.
6. Am a firm believer in "See Something, Say Something, Do Something," which I try to do in my own little way to make the township of Laughlin a better place for those currently living here and for those looking to move here.
7. I am a definite people person who likes talking to others to find out about them, find out their needs for our community and to encourage others to get involved.

I believe I would be an ideal candidate to fill one of the positions on our LTAB. Even if not considered or appointed I will still be either attending the LTAB meetings or watching it on the web site. I will continue encouraging our locals to attend and get involved in the beautiful community of Laughlin.
