Subject: Interest

Dear Members of the Board,

Please consider my application for the open seat. I've always been an active member of the communities I've lived in and now that Sandy Valley is my home I have a great interest in the town's activities, growth and future.

I've owned my Sandy Valley property since 2014 and have been a resident here since 2017. I love the peace and beauty of this valley and I have no current or future plans to leave it.

I'm an active patron of the local businesses and I have great hopes for all of them to grow and prosper.

Work & Experience:

I moved here from Pennsylvania where I worked eleven years for UPS. I transferred to the Las Vegas hub and have been there now for five years.

In addition to working for UPS I have my own business. I'm licensed by the state of Nevada to provide handyman services. I operate this side business on an "as needed" basis for when my hours at UPS are less than required to maintain my budget. Through this business I've been privileged to meet and help many of the valley residents with their household repairs. My jobs take me to many different parts of the valley and I've become very familiar with many areas.

I was raised on a forty acre farm which taught me hands-on knowledge concerning crops, livestock, and machinery. Farm life provided me with a deep appreciation for hard work.

I graduated high school and went directly into the Marine Corp. I served from 1982 to 1988 and left with an honorable discharge. They taught me discipline and gave me a good moral compass. I learned countless skills during my service and they instilled in me a strong love for God, Country, and Family.

I've been married for 28 years and I'm just as committed to everything else that I choose to participate in.

I have no criminal record, nor do I use any form of illegal drug.

I'm a registered voter and I use that privilege every time there's an opportunity.

I appreciate your consideration and I look forward to serving the Sandy Valley community through this board.

Regards,

Rusty S. Fogel
