Why are you interested in becoming a member of your TAB or CAC?

Wish to extend my appointment on the Whitney TAB. I feel strongly in community involvement and sitting on the board is one way to work towards improving one's neighbourhood. Plus being a board member allows for your input on agenda items.

To Whom it May Concern,

Although my experience lies directly in the food and beverage/hospitality field, I feel many of the job characteristics roll over to other positions, such as the opening you currently are seeking to fill- understanding of warehouse operations, inventory control, computer literate, time management, maintaining focus in a fast-paced environment, expediting daily duties in a timely manner, collaborating with multiple stakeholders,

My desire is to roll over my skill sets into a new and challenging field.

I spent a brief time at Elan Office Systems, a nonfood purchasing position and thoroughly enjoyed it- tasks included purchasing and warehousing. My interest in this position with the Clark County is to find a job that is outside of food & beverage yet offers an equally dynamic workday. And one where I feel my participation will create positive results for Clark County and a fulfilling work experience for myself.

I look forward to hearing back from you.

Sincerely,

Greg Konkin
