Have you attended a TAB or CAC meeting in Clark County? Yes ☒ No ☐

If so, which one and what was your experience? Over the last 3-4 years I have attended TAB meetings in Clark County. I observed and participated in discussions regarding how a development would impact traffic, property values, and seniors' home values. I found this information valuable and comprehensive. This was then shared with my community.

Please list any boards or committees that you currently serve on: _____
Nevada Association of Mobile Home Owners (NAHM): Participate on The Bylaws Committee
Tropicana Palms Resident Committee: Historian (resident for over 30 Years); Liaison to/from
relevant neighborhood organizations : Whitney TAB, NAHM, Clark County Wetlands (10 Year
volunteer), Wetland Park Lane proposed development.

Why are you interested in becoming a member of your TAB or CAC? I strongly believe the residents of a neighborhood should have an avenue to discuss the impact (positive/negative) of a proposed development in their community. The Whitney TAB serves that purpose. I have a perspective historically as well as looking to the future. Further, I see this as a civic duty to be aware of proposals affecting my community and as a vehicle to share with others.

Whitney Town Advisory Board:

It is with enthusiasm I submit my application to join the Whitney Town Advisory Board. As a 30 year resident, I have been involved in the issues impacting the area: impact on traffic, property values, seniors and home values. I have accomplished this thru my active involvement in various boards and community activities as well as regular attendance at Whitney TAB meetings and forums.

In my various roles on committees and as a historian, I bring insight on what changes/improvements have taken place and how they have impacted day-to-day life. I constantly encourage others to get involved and informed on proposals affecting them. I both care about and am not afraid to devote the time necessary to understand the full picture.

My 45 years in the medical field as a supervisor, manager and case manager have given me the skills to work with a variety of personalities and appreciate others views while sorting thru to the relevant issues.

I am ready not just to attend, to observe and to share, but to be an active part of the process!

Your consideration is appreciated.

Yours Truly,

Anita Toso
