Skills and Experience

I have been selected to serve on CDAC every year since I was appointed to the Town Board a number of years ago, most often as a member but also twice as an alternate. I have enjoyed the opportunity it has afforded me to get more involved and make a positive impact on my community. I am currently President of Imago Dei which is the LGBTQ organization that represents Catholics in the Diocese of Las Vegas. Working as a citizen of the County government has afforded me a unique perspective on the needs of my fellow citizens and how to try and best meet those needs.

Please attach a required resume/letter of interest.

I certify that the information provided is true and accurate to the best of my knowledge.

Letter of Interest for Winchester Town Advisory Board

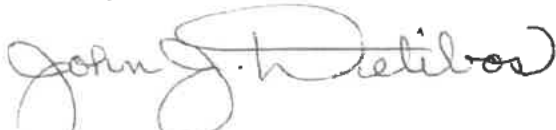

As a fifty-nine-year resident of Clark County, I have seen Las Vegas grow and prosper. During the last sixteen years, as resident of the Winchester Township, I have been privileged to witness that growth both up-close and personal...a process I have enjoyed immensely.

We are at that time again when we are requested to reapply for our positions serving on the TABs. I am doing so today.

Having served on the Winchester TAB for almost eight years, I believe I have come to know, not only my district, but the needs and aspirations of Clark County writ large. During this time, I have been fortunate to serve on several advisory bodies whose main purpose is to provide both the input and insight that helps inform our government's decisions, whether that be through SOS, CDAC, RTC or our current omnibus undertaking, the re-wiring/update of Title 30. By doing so, by taking a "hands on approach", I am making a difference in the lives of the residents of the city I love.

Therefore, I respectfully request your consideration for reappointment to the position of member of The Winchester Town Advisory Board for the upcoming term.

Sincerely,

A handwritten signature in cursive script that reads "John J. Delibos". The signature is written in dark ink and is positioned above the printed name.
