

Town Advisory Board (TAB)/ Citizens Advisory Council (CAC) Application

Name of the TAB/CAC Applying for: Winchester

TABs and CACs were created to assist the Board of County Commissioners in an advisory capacity with the decision-making process in the governance of the unincorporated towns and areas of Clark County. There are 8 TABs and 6 CACs that are appointed by the County Commission and 5 TABs that are elected. Each TAB or CAC consists of area residents that serve without compensation for two-year terms and attend regularly scheduled public meetings throughout the year.

To Whom It May Concern:

I receive daily inquiries from pillar citizens looking for my advice on how to solve and improve local community issues. I love using my experience in community relations, project management, maintenance and zoning to better improve our township. As a devoted resident and voice for my community, I submit my candidacy for a position on the Winchester Town Advisory Board.

I am the Executive Vice President with The Siegel Group, and I've managed construction renovation projects for both small and large properties alike and executed project design for hotels and offices. I have also help create the Siegel Group's food and beverage division, which currently oversees Bagelmania and PinkBox Doughnuts.

In addition to being a leader in our company's philanthropic efforts (through the Siegel Group program)I also currently serve on the Board of Directors for several non-profit organization such as Las Vegas chapter of After- School All Stars; whose mission is to provide comprehensive after school programs for as – risk youth. I continuously work with chartable partners such as Hopelink, Three Square, The Children's Heart Foundation and Youth Charities of Southern Nevada.

I believe that my background and experience can collaborate with the board in continuing to make decisions that are in the best interest of the residents that the Winchester Town Advisory Board has oversight.

Sincerely,

Judith Siegel
Executive Vice President
