BILL NO. 12-20-22-1

SUMMARY – An ordinance to amend Title 13, Chapter 13.04 of the Clark County Code to recognize FM Global Property Loss Prevention Data Sheets as prima facie evidence of compliance, revise the permit fee calculation methodology for some permit types and include fire personnel and equipment cost for special events; and providing other matters properly related thereto.

ORDINANCE NO. _____
(of Clark County, Nevada)

AN ORDINANCE TO AMEND TITLE 13, CHAPTER 13.04 OF THE CLARK COUNTY CODE TO RECOGNIZE FM GLOBAL PROPERTY LOSS PREVENTION DATA SHEETS AS PRIMA FACIE EVIDENCE OF COMPLIANCE, REVISE THE PERMIT FEE CALCULATION METHODOLOGY FOR SOME PERMIT TYPES, INCLUDE FIRE PERSONNEL AND EQUIPMENT COST FOR SPECIAL EVENTS; AND PROVIDING FOR OTHER MATTERS PROPERLY RELATED THERETO.

THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF CLARK, STATE OF NEVADA, DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Title 13, Chapter 13.04 of the Clark County Code is amended and adopted to read as follows:

13.04.070 Scope and Administration. A subsection, designated “102.8 Subjects not regulated by this Code,” is added to read as follows:

102.8 Subjects not regulated by this code. Where applicable standards or requirements are not set forth in this code, or are contained within other laws, codes, regulations, ordinances or bylaws adopted by the jurisdiction, compliance with applicable standards of the National Fire Protection Association, FM Global Property Loss Prevention Data Sheets or other nationally recognized fire safety standards, as approved, shall be deemed prima facie evidence of compliance with the intent of this code. Nothing herein shall derogate from the authority of the fire

code official to determine compliance with codes or standards for those activities or installations within the fire code official's jurisdiction or responsibility.

13.04.070 Scope and Administration. A subsection, designated "105.3.1 Expiration," is amended to read as follows:

105.3.1 Expiration. An operational permit shall remain in effect until reissued, renewed, or revoked or for such a period of time as specified in the permit. Construction permits shall automatically become invalid unless the work authorized by such permit is commenced within 180 days after its issuance, or if the work authorized by such permit is suspended or abandoned for a period of 180 days after the time the work is commenced, as evidenced by failure to request an inspection. Before such work recommences, ~~a new~~ the permit shall be first ~~obtained~~ renewed and the fee to recommence work, if any, shall be one-half the amount required for ~~a new~~ the original permit for such work, provided no changes have been made or will be made in the original construction documents for such work, and provided further that such suspension or abandonment has not exceeded one year. Permits that have expired or been abandoned for a period exceeding one year may only be renewed with approval from the fire code official and with the payment of a fee equal to the original permit fee for such work. Permits are not transferable and any changes in occupancy, operation, tenancy or ownership shall require a new permit to be issued.

13.04.070 Scope and Administration. A subsection, designated "105.3.1.1 Renewal of Expired Permits," is added to read as follows:

105.3.1.1 Renewal of Expired Permits. Renewal of Permits. Upon the expiration of a permit, before work can be recommenced, a permit renewal shall be obtained. The permit renewal fee shall be one-half the amount required for an initial permit for such work, provided no changes have been made or will be made in the original approved construction documents. After one year (365 days) following the last approved inspection or since the issue date of the permits(s), the permit applicant must file an application for a new permit(s). Renewal of a permit issued prior to the current code cycle will only be allowed when authorized by the fire code official.

13.04.070 Scope and Administration. A subsection, designated "105.6.27 LP-gas" is added to read as follows:

105.6.27 LP-gas. An operational permit is required for:

1. Storage and use of LP-gas

Exceptions:

1. An operational permit is not required in Group R-3 occupancies and buildings constructed in accordance with the IRC.
2. An operational permit is not required for individual containers with a 30-gallon (113.6 L) water capacity or less or multiple containers having an aggregate quantity not exceeding 30 gallons (113.6 L).
3. Operation of cargo tankers that transport LP-gas.
4. An operational permit is not required for LP-gas used in accordance with IFC Section 319, Mobile Food Preparation Vehicles.

13.04.070 Scope and Administration. A subsection, designated “106.6.1 Permit & Service Fee Payment,” is added to read as follows:

106.6.1 Permit & Service Fee Payment (effective July 1, 2023) The fees for issuance and plan review of each type of permit shall be as set forth in this section. The plan review fee is integrated into the permit fees, as calculated. Applicant shall pay half of the estimated permit fee at the time of submitting the application for review. The remaining balance of the permit fee shall be paid prior to the issuance of the permit.

13.04.070 Scope and Administration. A subsection, designated “106.6.2 Express Plan Processing,” is added to read as follows:

106.6.2 Express Plan Processing. The fire code official may establish an express plan review program with rules and regulations, subject to workload and staff availability, for providing express services without adversely impacting normal plan review activities. Additional fees shall be charged for express plan review services as established in Table 106-G.

13.04.070 Scope and Administration. A subsection, designated “106.6.3 Fee Refunds,” is added to read as follows:

106.6.3 Fee Refunds. The fire code official may authorize the refunding of any fee imposed by this Chapter, which was erroneously paid or collected. The fire code official shall not authorize the refunding of any fee paid except upon written application filed by the original permit holder and not later than 180 days after the date of fee payment. Limits placed on refunds include:

- (A) Not more than 80 percent of the permit fee paid at the time of application submittal when no work in reviewing the applications has been done under

a permit application prior to the issuance of the permit in accordance with this Chapter; or,

- (B) Not more than 80 percent of the permit fee paid at the time of permit issuance when no work has been done under a permit issued in accordance with this Chapter; or,
- (C) The fire code official may authorize credit towards the purchase of replacement permits for work destroyed during construction by a natural or manmade catastrophe of up to one-half of the original permit fee paid. The amount of the credit shall be pro-rated based on the number of required inspections completed before destruction.
- (D) The fire code official may authorize a 100% refund in the event that an error has been made by the Department, as determined by the fire code official. The refund amount is limited to the fees collected in error. In the event the Department requires an incorrect permit type to be void, the fire code official may authorize a credit from fees paid to be applied to the correct replacement permit.

13.04.070 Scope and Administration. A subsection, designated “106.6.4 Affordable Housing Fee Reduction,” is added to read as follows:

106.6.4 Affordable Housing Fee Reduction. Pursuant to the Resolution No. 3-16-21-4 approved by the Board of County Commissioners on March 16, 2021, certain affordable housing development projects are entitled to the reduction in development fees assessed in section 106.6 of this Code as follows:

(A) Affordable housing projects that meet a criteria of a deed restricted sales or rent targeting between 61-80% of AMI may receive a reduction in fees of 50%.

(B) Affordable housing projects that meet a criteria of a deed restricted sales or rent targeting 60% of AMI or below may receive a reduction in fees of 75%.

(C) Affordable housing projects that offer a blend of rental rates or sales prices, may qualify for a calculated fee reduction on the blended rates.

Only projects issued an Affordable Housing Certificate by Clark County Community Resource Management will be eligible for the discounted fees as stated under this section.
