COUNTY agrees to retain PROVIDER for the period from date of award through December 31, 2023, with the option to renew for 4, one-year periods subject to the provisions of Sections II and VIII herein. During this period, PROVIDER agrees to provide services as required by COUNTY within the scope of this Contract.

SECTION II: COMPENSATION AND TERMS OF PAYMENT

A. Compensation

COUNTY is not responsible for any costs and expenses associated with the C-PACE Program. No payments will be made to PROVIDER by COUNTY. A one-time program administration fee, equal to one and a half percent (1.5%) of the loans originated and closed amount, not to exceed One Hundred Fifty Thousand Dollars (\$150,000.00) per project loan will be paid to PROVIDER by the Property Owner/Applicant. Property Owner/Applicant will pay a non-refundable fee of Two Thousand Dollars (\$2,000.00) at the time of submittal of the pre-application to PROVIDER. PROVIDER will remit these fees to COUNTY. This amount will be retained by COUNTY to compensate for internal costs and is not a source of funding for the compensation of PROVIDER. It is expressly understood that the entire work defined in Exhibit A must be completed by PROVIDER and it shall be PROVIDER'S responsibility to ensure that hours and tasks are properly budgeted so the entire PROJECT is completed for the said fee.

B. Terms of Payments

1. PROVIDER will not submit any invoices to COUNTY for performance of services. Payment will be made by PROVIDER to COUNTY based on approved reports submitted by PROVIDER.
2. Payment to COUNTY of the pre-application fees will be made within thirty (30) calendar days after receipt of an accurate report that has been reviewed and approved by COUNTY.
3. COUNTY, at its discretion, may not approve a report if PROVIDER fails to provide the information as agreed to between PROVIDER and COUNTY:
 - a. COUNTY'S representative shall notify PROVIDER in writing within fourteen (14) calendar days of any disputed amount included on the report. PROVIDER must submit a new report for the undisputed amount which will be paid in accordance with paragraph B.2 above. Upon mutual resolution of the disputed amount PROVIDER will submit a new report for the agreed to amount and payment will be made in accordance with paragraph B.2 above.

C. COUNTY'S Fiscal Limitations

1. The content of this section shall apply to the entire Contract and shall take precedence over any conflicting terms and conditions and shall limit COUNTY'S financial responsibility as indicated in Sections 2 and 3 below.
2. Notwithstanding any other provisions of this PROJECT, this Contract shall terminate and COUNTY'S obligations under it shall be extinguished at the end of the fiscal year in which COUNTY fails to appropriate monies for the ensuing fiscal year sufficient for the PROJECT.

SECTION III: SCOPE OF WORK

Services to be performed by PROVIDER for the PROJECT shall consist of the work described in the Scope of Work as set forth in Exhibit A of this Contract, attached hereto.

SECTION IV: CHANGES TO SCOPE OF WORK

- A. COUNTY may at any time, by written amendment, make changes within the general scope of this Contract and in the services or work to be performed. If such changes cause an increase or decrease in PROVIDER'S cost or time required for performance of any services under this Contract, an equitable adjustment limited to an amount within current unencumbered budgeted appropriations for the PROJECT shall be made and this Contract shall be modified in writing accordingly. Any claim of PROVIDER for the adjustment under this clause must be submitted in writing within thirty (30) calendar days from the date of receipt by PROVIDER of notification of change unless COUNTY grants a further period of time before the date of final payment under this Contract.
- B. No services for which an additional compensation will be charged by PROVIDER shall be furnished without the written authorization of COUNTY.

SECTION V: RESPONSIBILITY OF PROVIDER

- A. It is understood that in the performance of the services herein provided for, PROVIDER shall be, and is, an independent contractor, and is not an agent, representative or employee of COUNTY and shall furnish such services in its own manner and method except as required by this Contract. Further, PROVIDER has and shall retain the right to exercise full control over the employment, direction, compensation and discharge of all persons employed by PROVIDER in the performance of the services hereunder. PROVIDER shall be solely responsible for, and shall indemnify, defend and hold COUNTY harmless from all matters relating to the payment of its employees, including compliance with social security, withholding and all other wages, salaries, benefits, taxes, demands, and regulations of any nature whatsoever.

All of the services specified by this Contract shall be performed by the Manager, or by PROVIDER'S associates and employees under the personal supervision of the Manager. Should the Manager, or any employee of PROVIDER be unable to complete his or her responsibility for any reason, PROVIDER must obtain written approval by COUNTY prior to replacing him or her with another equally qualified person. If PROVIDER fails to make a required replacement within thirty (30) calendar days, COUNTY may terminate this Contract for default.

PROVIDER shall, without additional compensation, correct or revise any errors or omissions in its work products.
 - 1. Permitted or required approval by COUNTY of any products or services furnished by PROVIDER shall not in any way relieve PROVIDER of responsibility for the professional and technical accuracy and adequacy of its work.

2. COUNTY's review, approval, acceptance, or payment for any of PROVIDER'S services herein shall not be construed to operate as a waiver of any rights under this Contract or of any cause of action arising out of the performance of this Contract, and PROVIDER shall be and remain liable in accordance with the terms of this Contract and applicable law for all damages to COUNTY caused by PROVIDER'S performance or failures to perform under this Contract.
- H. All materials, information, and documents, whether finished, unfinished, drafted, developed, prepared, completed, or acquired by PROVIDER for COUNTY relating to the services to be performed hereunder and not otherwise used or useful in connection with services previously rendered, or services to be rendered, by PROVIDER to parties other than COUNTY shall become the property of COUNTY and shall be delivered to COUNTY'S representative upon completion or termination of this Contract, whichever comes first. EXHIBIT A COMMERCIAL PROPERTY ASSESSED CLEAN ENERGY (C-PACE) PROGRAM ADMINISTRATOR SCOPE OF WORK

Background

The C-PACE Provider must meet all the requirements of Chapter 271 of Nevada Revised Statutes, as amended by S. 283, 2021 Leg., 81st Sess. (Nev. 2021) ("The Act") and the Clark County C-PACE Program Guidelines. C-PACE is a voluntary program that provides for direct financing of Qualified Improvement Projects (QIPs), as defined in the Act by a Capital Provider who is repaid through an Assessment. The Assessment constitutes a first position lien on the real property superior to all liens, claims, encumbrances, and titles, except for liens of other assessments, and general taxes attached to the tract pursuant Nevada property tax law. COUNTY authorized the establishment of a C-PACE Program to provide financing for eligible improvements to qualified property owners in the unincorporated areas of COUNTY pursuant to resolution R-8-16-22 as amended and approved by the Clark County Board of County Commissioners (BCC) on August 16, 2022. COUNTY'S implementation of the C-PACE program intends to use a third-party Program Administrator to provide the necessary services to develop, implement, and administer the C-PACE program in Clark County.

COUNTY is sponsoring the program to facilitate and finance Qualified Improvement Projects such as energy efficiency improvement projects, renewable energy projects, resiliency projects, and water efficiency improvement projects as defined in Chapter 271 of Nevada Revised Statutes.

PROVIDER is responsible to provide a streamlined application and administrative process that will facilitate project installations by providing clear guidelines for participation in the program to local businesses, energy contractors and potential financiers of these projects. Engagement of local business groups, energy contractors and capital providers will be a key component of the success of the program and respondents should discuss their experience and capacity with market development for the delivery of energy-related improvements and financing products.

PROVIDER will be expected to provide all administrative, marketing, operational, and management services necessary to operate the program (as set forth in the Program Guidelines and the scope of work described herein). It must be willing to work with a variety of financing providers and to reach out to capital providers, including local banks, for inclusion in the program. All Capital Providers must agree to alignment with program criteria and payment of all documentation costs and County fees, including Program Administration fees for the establishment of an account for ongoing billing and payment disbursement for each QIP.

PROVIDER will be expected to maintain a list of qualified contractors who have registered with the C-PACE Program and confirm both the registration to do business in Clark County and proper licensing of those contractors in Clark County.

PROVIDER will be expected to maintain a list of qualified Capital Providers who have registered with the program and confirm their Business License registration requirements to do business in Clark County.

COUNTY C-PACE program prohibits the issuance of bonds or interim financing by COUNTY. Participation in the program is voluntary, but once the property owner executes the Voluntary Assessment Agreement, payment of the Assessment and compliance with the terms and conditions of the C-PACE Program is binding.

COUNTY is not responsible for any costs and expenses associated with the C-PACE Program or the financing of the QIP. Further, COUNTY is not responsible for any terms and conditions of the Voluntary Assessment Agreement or the financing of the QIP, except for the imposition and amount of the Assessment and the Assessment Lien. The Act requires that the Assessment and Assessment Lien be assigned to the Capital Provider for billing and collection of the Assessment, and enforcement of the Assessment Lien.

- Design the program to be an "open market model" accessible by all qualified Contractors and all qualified Capital Providers. Include outreach efforts to these constituencies.
- Coordinate post-implementation reporting and ongoing verification and monitoring of project compliance and requesting energy savings estimates from property owners.
- Prepare an annual report to COUNTY of C-PACE Program results by September 1st of each year for the previous fiscal year ending June 30th. The report shall include, at minimum, the following information and may be grouped by type of improvement.

- If the Applicant meets the minimum qualifications in the Pre-Application, obtain a written acknowledgement from each Applicant that it intends to comply with the requirements of the Program Guide and the Act with respect to the C-PACE District, including, but not limited to, completing the application process, finalizing financing with a Capital Provider for the QIP via an assessment, entering into a Voluntary Assessment Agreement and related documents with COUNTY, and constructing the QIP.

- Ensure compliance with Assessments and Certified Appraisal Criteria outlined in Article V of the Program Guide.
- Review and evaluate final application and supporting documentation (Program Guide Article II.B.3) to ensure the property owner meets the eligibility requirements (Program Guide Article III.D).
- Complete the review and approval of the QIP and provide notification to COUNTY'S CFO to present an item to the BCC to approve the Voluntary Assessment Agreement. If PROVIDER finds that the Final Application or supporting documentation is incomplete, or the proposed QIP does not qualify for the C-PACE Program, PROVIDER will notify and work with the Property Owner to complete any missing information for re-review and evaluation.
- Facilitate the preparation, execution and recordation of the Voluntary Assessment Agreement between COUNTY and Developer for each QIP.
- Ensure the recordation of the Notice of Assignment of Assessment and Assessment Lien and Assignment of Assessment and Assessment Lien after authorizations are received.

- Upon final approval of the application, provide to COUNTY a calculated assessment obligation and repayment schedule for each special assessment project.

- Perform periodic backup of all data related to COUNTY C-PACE Program that can be recovered at the request of COUNTY at any point in time as needed.
- PROVIDER may be exposed to confidential information and the disclosure of such information could violate rights of private individual and entities.
- In the event of PROVIDER'S termination or end of the contract term, PROVIDER must provide to COUNTY, or to a successor Provider, the data related to COUNTY'S C-PACE Program and other proprietary information reasonably requested by COUNTY to ensure the orderly transition of services. The obligation of PROVIDER to provide the termination services will survive the termination or expiration of the Contract for whatever reason. Termination services must include developing a plan for the orderly transition to COUNTY or successor Provider of the extracted C-PACE Program data in a format and timeframe mutually agreed upon by the parties.
