Additional Comments:	N/A		

BACKGROUND:

On May 24, 2022, a professional engineering services contract was approved with Kimley-Horn and Associates, Inc. to conduct a mobile billboard study on Las Vegas Boulevard between Tropicana Avenue and Elvis Presley Boulevard to assess the impact of mobile billboard businesses on traffic congestion, road safety and air quality.

County staff and representatives from Kimley-Horn and Associates, Inc. are here to report to the Board with the results and recommendations of the study.
