My name is Laura LeBowsky and I am writing to express my interest in the Indian Springs community Town Advisory Board. I am interested in serving in this capacity because I would like to see our community continue to have a rural, small town feel while being able to accept change in a positive manner. I am a recent addition to this community and I see so much potential to add to the community while keeping some of the foundational concepts that made Indian Springs.

I admittedly do not have any board experience, however I am willing to learn and be a productive member. I am a Clark County School District Special Education teacher for 21 years. During my time as a teacher I have been in leadership roles such as Student Council advisor, new teacher mentorship, and Department Chair.

My goal for Indian Springs is to help preserve the history and small town feel while being open to growth that would make our town safer, include more opportunities for economic growth, and activities that all families and community members can enjoy.

Thank you for your time and the opportunity to apply for this board position. I welcome further discussing any aspects of my application at any time. Please feel free to contact me with follow up questions.

Sincerely,

Laura Emily LeBowsky
