BACKGROUND:

The Regional Flood Control District (RFCD) approved funding for the Airport Channel - Naples project (No. PW.FCLA10H) on its Master Plan and Ten-Year Construction Program. The Board of County Commissioners approved the interlocal contract on October 1, 2013.

The Board and RFCD previously approved four supplementals to the interlocal contract by increasing total funds and extending the contract term for subject project.

The attached Supplemental No. 5 to the interlocal contract extends the term of the contract for the project to June 30, 2026, unless further time extensions are granted. The current total contract value for the subject project is \$1,710,000.

RFCD approved the fifth supplemental contract at its meeting on March 9, 2023.

The District Attorney's Office has reviewed and approved the fifth supplemental contract as to form.
