(c) Any dispensing, service or sale of alcoholic liquor at any times or places beyond that stated in the permit shall be grounds for disciplinary action pursuant to Section 8.20.570.

(d) The director or designee may issue a permit to a liquor caterer licensed pursuant to this chapter, or to a liquor caterer business having its premises located in either the city of Las Vegas, city of Henderson, city of Boulder City, city of North Las Vegas, or the city of Mesquite, that is appropriately licensed for a liquor caterer business by such local government, if the director or designee finds:

- (1) That a complete application has been submitted along with all applicable fees as required by Section 8.20.470;
- (2) That for those events/activities to be conducted at county parks, county recreational areas, or any other county site under the jurisdiction of the department of parks and recreation [community services], prior written approval for the event/activity has been obtained from the director of the department of parks and recreation or designee;
- (3) That the liquor service to be provided is not conducted in such a manner so as to constitute a permanent or semipermanent activity at a particular location/establishment that would require its own liquor license or additional liquor license pursuant to the requirements of this chapter. Without regard to the number of liquor caterers, the total number of liquor caterer permits issued for the same location/establishment may not exceed a total of three days within a seven consecutive day period or a maximum of twelve days in any calendar month.

(4) The business is current with business license renewal fees.

(e) A business location/establishment which has not been approved for the sale or service of liquor but is otherwise eligible for the sale or service of liquor, may not use a liquor caterer except [~~when the liquor license for that location/establishment has been revoked at sixty days due to nonpayment of license fees and has since complied with Section 8.20.555, or~~] for a one day only grand opening event/activity at the location/establishment.

A full explanation of the circumstances preventing the timely filing of the application must be submitted in writing with the application and double fees shall be charged.
