

MANAGED SERVICE PROVIDER AGREEMENT

This Managed Service Provider Agreement (“Agreement”) is made by and between AMN Healthcare, Inc., a Nevada corporation located at 8840 Cypress Waters Boulevard, Suite 300, Dallas, TX 75019 (hereinafter referred to as “AMN”), and University Medical Center of Southern Nevada, a publicly owned and operated hospital created by virtue of Chapter 450 of the Nevada Revised Statutes located at 1800 West Charleston Boulevard, Las Vegas, NV 89102 (hereinafter referred to as “Client”) to be effective as of the date of last signature as set forth below (“Effective Date”).

WHEREAS, the parties intend for this Agreement to supersede, terminate and wholly replace the Master Services Agreement for Health Information Management staffing services dated December 19, 2022;

WHEREAS, Client now requires managed services for the provision of supplier temporary or full-time conversion staffing services (“Services”);

WHEREAS, AMN is in the business of providing such Services and is willing to provide these Services to Client; and

WHEREAS, Client has requested AMN to perform such Services for each of Client’s facility(ies) as set forth in **Exhibit B** for whom Client remains financially responsible (“Facility(ies)”).

NOW THEREFORE, IN CONSIDERATION of the mutual agreements and covenants contained herein, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Client and AMN agree as follows:

1. **Term of Agreement.** This Agreement shall commence as of the Effective Date and shall continue in effect for a period of three (3) years (“Initial Term”), unless earlier terminated by either party as set forth in Section 6. At the end of the Initial Term, this Agreement shall automatically renew on a yearly basis and continue to govern for so long as a Service Line Exhibit remains in effect (each an “Extension Term”). The Initial Term and all Extension Terms shall collectively be referred to herein as the “Term.” The terms of this Agreement, where the context so indicates, shall survive termination or expiration of this Agreement.

2. **Scope of Services.**

(a) This Agreement covers the management of supplier temporary and full-time conversion staffing services routinely performed by AMN for the specific positions and pursuant to the terms set forth in each of the following Service Line Exhibits attached hereto and incorporated herein by reference for Client’s owned Facility(ies) set forth in **Exhibit B**:

- (i) Exhibit A-1 – Service Line Exhibit (Nurse and Allied Clinical Staffing)
- (ii) Exhibit A-2 – Service Line Exhibit (Locum Tenens Staffing)
- (iii) Exhibit A-3 – Service Line Exhibit (Non-Clinical Staffing)
- (iv) Exhibit A-4 – Service Line Exhibit (Interim Leadership Provider Staffing)
- (v) Exhibit A-5 – Service Line Exhibit (Revenue Cycle Staffing)
- (vi) Exhibit A-6 – Service Line Exhibit (International Nurse Staffing)
- (vii) Exhibit A-7 – Service Line Exhibit (Payroll Staffing)
- (viii) Exhibit A-8 – Service Line Exhibit (Executive Search)

(b) The terms set forth in a Service Line Exhibit shall be specific to the service line included in this Agreement and shall not apply to other Service Line Exhibits. AMN will begin providing Services following implementation of the Managed Service Provider (“MSP”) program on a date to be mutually agreed to in writing by the parties following the Effective Date (“Go Live Date”). Additional Service Line Exhibits may be subsequently added by the parties upon written mutual amendment to this Agreement with a Go Live Date specific to that Service Line Exhibit as agreed to in writing by the parties.

(c) Order Management.

- (i) Client shall place all job orders with AMN for the specific positions/specialties (hereinafter referred to as "Provider(s)") as set forth in the applicable Service Line Exhibit(s).
- (ii) AMN will serve as the administrator of the MSP program as set forth in this Agreement, which will include tasks such as: identifying third-party staffing sources to fulfill Client orders; acting as the liaison between Client, the Affiliated Companies and Subcontractors (as defined below); and providing consolidated invoicing and reporting. AMN may utilize subcontracts with other third party staffing agencies ("Subcontractors") or AMN subsidiaries that provide staffing services ("Affiliated Companies") to fill Client's requests for Providers. Subcontractors and Affiliated Companies will be required to execute an agreement with AMN which shall contain clauses placing duties on the Subcontractor and Affiliated Companies to follow the provisions of this Agreement which relate to Subcontractor or Affiliated Companies ("Subcontract Agreements"), which includes Client as an intended third party beneficiary to the obligations of Subcontractor or Affiliated Company. Assignments filled through the use of Affiliated Companies and Subcontractors will be coordinated and arranged solely by AMN. AMN shall not be liable for the acts or omissions of Affiliated Companies, Subcontractors or their respective Providers. Each Affiliated Company and Subcontractor providing staffing services pursuant to an applicable Service Line Exhibit shall be liable for their own respective acts or omissions. AMN shall contractually require Affiliated Companies and Subcontractors in their respective Subcontract Agreement to indemnify Client for any third party claims and liabilities to the extent caused by the negligent acts or omissions of such Affiliated Company or Subcontractor or its respective officers, directors or employees. AMN shall assist Client in invoking its third party beneficiary rights under the Subcontract Agreements.
- (iii) All new starts, assignments and extensions/renewals for Providers commencing on or after the applicable Go Live Date for each Service Line Exhibit shall be managed by AMN through the MSP process. AMN will not be responsible for managing any portion of temporary personnel already on assignment before the applicable Go Live Date of any Service Line Exhibit. All temporary personnel on assignment with Client before the applicable Go Live Date will continue at the original contracted bill rate agreed to by Client and the third party supplier who provided the temporary personnel for the duration of the original assignment length outside of this MSP program. Should Client wish to extend or renew the temporary personnel beyond the original assignment length, such assignments will continue pursuant to the terms set forth in this Agreement and subject to the applicable third party supplier becoming a Subcontractor pursuant to the terms of this Agreement. In the event a third party supplier with current temporary personnel on assignment with Client as of the Go Live Date refuses to participate under this Agreement, the parties agree to meet to review the situation and make appropriate decisions on a go forward plan, for placement of such temporary personnel, on a case by case basis.

(d) Technology.

- (i) At AMN's discretion, AMN may utilize a third party internet enabled, centralized vendor management services technology application (the "Technology") to assist AMN in the provision of Services under this Agreement, in which case the following terms herein shall apply. Client's use of the Technology is purely a right to access the Technology functionality via the internet and pursuant to the terms of an end user license agreement as set forth in **Exhibit D** between the Technology vendor and Client. The right of use granted by the Technology vendor is solely for Client's internal business operations for orders placed with AMN under this Agreement. AMN grants no license or other rights in the Technology to Client. Client shall not sell, assign, sublicense, grant a security interest in or otherwise transfer any right in the Technology to other parties or permit the use of the Technology by any third parties, except as may be authorized under the end user license agreement. Client shall not copy, modify, create a derivative work of, reverse engineer, reverse assemble, or otherwise attempt to discover any source code.
- (ii) Client is responsible for its Client submitted data and Client grants AMN and the Technology vendor a non-exclusive and non-transferable license to access the content, records or other data that Client has uploaded to the Technology or transmits to AMN. Any Client request for any manual deviation

or customizations to the Technology, requires approval of the Technology vendor and may include additional charges to be agreed upon in writing by the parties.

(e) Reporting.

(i) Both AMN and Client will designate a contact (the "AMN Program Contact" and the "Client Program Contact") that shall be the parties' primary liaisons in connection with the Services.

(ii) Upon execution of this Agreement, the parties shall form an oversight committee to facilitate communications between them (the "Oversight Committee"). The Oversight Committee shall include the AMN Program Contact, the Client Program Contact, AMN's senior operations management representative, and the appropriate Client representatives. The Oversight Committee shall be responsible for: (1) generally overseeing the performance of this Agreement; and (2) monitoring and resolving disputes arising in connection with this Agreement. A party may change any of its representatives on the Oversight Committee upon written notice to the other party. The Oversight Committee shall meet at mutually agreeable times for the purpose of overseeing the performance of this Agreement. Each party shall pay the expenses incurred by its own representatives to attend meetings of the Oversight Committee.

(f) Consolidated Invoicing. AMN will administer the invoices, and time and expense submissions of Affiliated Companies and Subcontractors to consolidate invoices for payment by Client. Client agrees to pay for the Services requested by Client and rendered by AMN, Affiliated Companies, and Subcontractors in accordance with Section 4.

(g) Travel for AMN Staff and Affiliated Subcontractors. Travel reimbursements for AMN, Affiliated Companies and Subcontractors' employees (i.e., not referring to placed Providers) are not authorized in this Agreement.

3. Client Obligations.

(a) The parties are entering into a primary managed services relationship related to temporary and/or permanent placement and other medical personnel staffing, which AMN shall have the primary right and obligation to identify, credential, qualify and recommend Providers on the attached Service Line Exhibits to fill positions identified, from time to time, by Client to AMN. AMN shall be the primary provider of managed services for the attached Service Line Exhibits; however, if AMN is unable to submit a candidate for a Provider for whom there is a minimum 8-week order duration, within twenty (20) calendar days from the date of Client's initial request (the "Final Date"), subject to the restrictions in this Section 3, Client may use any other third party agency to fill such a position. If Client fills in a position in accordance with the immediately-preceding sentence, it shall provide notice to AMN no later than twenty (20) calendar days after filling such position. AMN shall not have the primary right to identify, credential, qualify and/or recommend any of the following (the "Exceptions"): (i) providers in any Service Line Exhibit filled by an entity other than AMN and/or its affiliates, and (ii) any current or future affiliates, subsidiaries or related parties of Client, other than the Providers provided under the attached Service Line Exhibits (including Client's use of providers from those separate entities). Furthermore, in addition to (and not in limitation of) the Exceptions, excluding any Identified Subcontractors (defined below), AMN recognizes, acknowledges and agrees that Client has existing relationships with third parties whose scope of services relate to the provision of clinical services (the "Existing Relationships"), and those providers may staff providers for which AMN shall have no duties or rights.

(b) Without limiting the Final Date, promptly upon determining that AMN cannot fill a position, AMN and Client will review and reach a determination of the contributing factors preventing AMN from submitting a candidate and develop an action plan to address the factors identified, if possible.

(c) If the parties are unable to work out a solution under Section 3(b) above, Client may utilize another staffing agency for the specific unfilled order, subject to the restrictions below. If Client were to use an outside agency, Client shall provide verbal notice to AMN of the different rates, terms, conditions, or job order requirements offered to other agency, and offer AMN same terms as the outside agency.

- (d) Notwithstanding the above, to ensure a successful MSP program, Client agrees not to knowingly post any order to any Identified Subcontractor(s). "Identified Subcontractor" means any Subcontractor that both (i) is identified in writing by AMN and delivered to Client as a Subcontractor, and (ii) was engaged as a subcontractor of AMN at any time within the prior twelve (12) month period under this MSP program and will not permit such staffing agency to utilize any subcontractors to fill Client's order.
- (e) Client shall provide sufficient information about its specific needs so that AMN can make its best efforts to match the skills and experience of Providers to those needs.
- (f) Client shall not seek to terminate a Provider's placement nor shall it refuse a Provider's services due to a discriminatory reason, including Provider's race, sex, national origin, color, religion, age, disability, handicapping condition (including AIDS or AIDS-related conditions), marital status, veteran status, sexual orientation, gender identity or gender expression, or any other protected classification by law or regulation. Client shall not use any information provided to it by AMN regarding Providers in an unlawful manner or for any unlawful purpose. Promptly (and in no event more than thirty (30) days after Client knew or reasonably should have known of such claim), provide AMN written notice of (i) any occupational safety hazards or events involving Provider; (ii) any event reportable under workers' compensation insurance policies; (iii) any sentinel event involving Provider; or (iv) any actual or threatened claim arising out of or relating to Provider. Client shall make available to AMN copies of all non-privileged documentation about problems or incidents in which Providers are involved.

4. Rates and Invoicing.

- (a) Rates. Client agrees to pay for Services rendered under this Agreement in accordance with the Service Line Exhibits incorporated herein, to include the consolidated invoicing for staffing services provided by Affiliated Companies and Subcontractors, plus all applicable federal, state and local taxes which may be payable by AMN, including but not be limited to: sales/use tax, excise tax and gross receipts tax. The rate schedules set forth in the Service Line Exhibits include (i) the amounts payable by Client to AMN (or the Affiliated Company or Subcontractor) for the Services performed by AMN (or the Affiliated Company or Subcontractor), and (ii) fees to be paid to each Provider. The portion of the rate payable to AMN will vary depending upon amounts payable to Provider from Client. Such variation will not affect the amounts reflected in the rate schedules. Providers are paid one hundred percent (100%) of the agreed upon rate, subject to tax withholdings as required by law. Should AMN, Affiliated Company or Subcontractor be required to pay any wage/hour penalty as required by federal or state law, due to the negligent acts or omissions of Client, such penalty shall be billed to Client at the applicable confirmed rate per hour. The parties acknowledge that they have a reimbursement arrangement with respect to housing and meals. The reimbursement amount is included in the fee Client pays for Services, except as otherwise specifically stated in a Service Line Exhibit. AMN will provide written substantiation of the reimbursement amount. Amounts reimbursed by Client may be subject to tax deduction limitations.
- (b) Time Submission. Providers will submit time worked in a form or electronic timecard system mutually determined by Client and AMN. Client shall designate a representative to review and approve all time on timesheets no later than each Monday, 5:00 p.m. EST (the "Time Approval Deadline"). Client's approval of Providers' time (i) certifies that the hours submitted are correct and that the work was performed to Client's satisfaction and (ii) authorizes AMN to bill Client for the hours worked by Providers. If Client's designated representative fails to timely review and approve all time worked to AMN within seven (7) days after the Time Approval Deadline for the respective pay period, all time submitted by Providers shall be considered accurate and Client shall forfeit the ability to dispute the Providers' time in the future, and shall be responsible for payment for such time on the corresponding invoice.
- (c) Invoicing. Invoices will be rendered weekly and delivered to Client via email or a web-based application from AMN or its Technology vendor. Payment of a correct invoice by Client shall be due within thirty (30) days of the invoice date and shall include remittance instructions. Payment shall be made by check or EFT. Credit card payments are not permitted. Payment by Client shall not be contingent upon Client's receipt of payment from any third party. Client shall notify AMN in writing of any particular error(s), omission(s) or objection(s) within fourteen (14) days of the invoice date. Failure to notify AMN within that time shall constitute a waiver of any objection thereto. AMN acknowledges that Client shall not

provide payment on any invoice if AMN or any of its subcontractors submits after six (6) months from the Provider's hired date by Client. Invoices shall be submitted to: University Medical Center of Southern Nevada, Attn: Accounts Payable, 1800 W. Charleston Blvd., Las Vegas, NV 89102. AMN shall provide the following information required on each invoice: itemized description of products delivered or services rendered and amount due, Purchase Order Number, Invoice Date, Invoice Period, Invoice Number, and the Payment Remittance Address.

- (d) Client Generated Billing Documents. If Client issues a purchase order, work order or other instrument covering this Agreement, or issues cost centers for billing purposes, it is understood and agreed that it is for Client's internal purposes only, and shall in no way affect any of the terms and conditions herein. Client further agrees that any internal billing requirements shall in no way eliminate or modify AMN or Technology vendor's ability to issue an invoice or Client's payment obligations pursuant to Section 4(c). Client's total liability for all charges for Services which may become due under this Agreement is limited to the total maximum expenditure(s) authorized in Client's purchase order(s) to COMPANY.
- (e) Government Mandated Cost Increases. If at any time during the Term of this Agreement, AMN or Affiliated Company are required to increase the compensation of temporary personnel (due to increase in minimum wage rates or mandatory benefits requirement), or incurs an increase in its compensation costs as a direct result of any law, determination, order or action by a governmental authority or government insurance benefit program, Client agrees that AMN may increase the bill rates proportionately so as to place AMN or Affiliated Company in the same position it was in prior to such law, determination, order or action. Client shall pay such increased bill rates in accordance with Section 4(c) upon AMN's provision of at least thirty (30) days' written notice to Client of such increase.
- (f) Quarantined Providers. In the event a Provider is quarantined as a result of: (i) working on assignment at Client's Facility, or (ii) a government mandate prior to Provider's start date, AMN shall bill Client, and Client will pay AMN, for such Provider's guaranteed or scheduled hours at Provider's applicable confirmed rate for the duration of such Provider's quarantine period. Notwithstanding the foregoing, if the quarantined Provider is unable to work after five (5) days, Client may terminate such Provider's assignment at no additional fee upon written notice to AMN.

5. Confidential Information.

- (a) Each party shall keep confidential all Confidential Information (as defined below) of the other party ("Owning Party"), and shall not use or disclose such Confidential Information either during or at any time after the Term of this Agreement, without Owning Party's express written consent, unless required to do so by law, court order or subpoena in which case a party shall not disclose such information until it has provided reasonable advance written notice to Owning Party such that Owning Party may timely act to protect such disclosure. For purposes of this provision, "Confidential Information," that is not a public record pursuant to Nevada law, means non-public information that is disclosed or becomes known to the other party as a consequence of or through its activities under this Agreement, including, but not limited to, matters of a business nature, such as Providers' and prospective Providers' names and personal information, compensation and benefits packages and structure, hiring decision-making process, hiring needs and/or requests for placement, costs, profits, margins, markets, sales, business processes, information systems, quarterly and annual review documents, reports generated, and any other information of a similar nature.
- (b) The parties agree where required by law, AMN and/or its Affiliated Companies may provide (i) an executed copy of this Agreement and any related agreements executed by AMN pursuant to the applicable Service Line Exhibit(s), and (ii) a full disclosure of charges and compensation under the applicable Service Line Exhibit(s) to the governmental or regulatory authority set forth in the applicable law. Client acknowledges that this Section constitutes notice of such disclosure, and no additional notification is required.
- (c) Both parties shall not:

- (i) sell, rent, release, disclose, disseminate, make available, transfer, or otherwise communicate orally, in writing, or by electronic or other means, Provider's personal information to another business or a third party for monetary or other valuable consideration;
 - (ii) retain, use, or disclose such Provider's personal information for any purpose other than for the specific purpose of confirming the suitability of the Provider to perform temporary or full-time conversion services, and Client processes necessary to enable Provider to perform the services, including but not limited to time keeping, billing, and access to Client systems; or
 - (iii) retain, use, or disclose such Provider's personal information outside of the direct business relationship between AMN and Client.
- (d) In addition, both parties agrees to use appropriate privacy and security measures to protect all Providers' personal information from unauthorized access, destruction, use, modification, or disclosures in accordance with all federal and state privacy laws, including but not limited to, limiting access to only those employees necessary for the performance under this Agreement, implementing suitable measures to prevent unauthorized persons from gaining access to Provider's personal information and to prevent unauthorized reading, copying, alteration, use, or removal of Provider's personal information. Both parties will report to the other party in writing, no more than ten (10) days after discovery, any breach of security or privacy, unauthorized use, or unauthorized disclosure of Provider's personal information. For the negligent party, it shall be responsible for notifying affected Providers of the occurrence (as required by applicable law) and for payment of all costs of notification and any costs associated with mitigation, including but not limited to credit monitoring. The negligent party shall also be responsible for all expenses, costs, and any damages incurred by the other party resulting from such occurrence. The negligent party will promptly alert the other party in writing of the time and content of any notifications under this Section before contacting affected Providers.
- (e) Upon termination or expiration of this Agreement, both parties will, without notice or request, either (i) return within four (4) weeks all Confidential Information of the other, including copies thereof; or (ii) destroy all Confidential Information in accordance with their respective policies and procedures, and such party will certify in writing its compliance upon request of the other party; such destruction of Confidential Information will have the same level of care that each party would have given when destroying their own Confidential Information.
- (f) Notwithstanding the foregoing, AMN acknowledges that Client is a public county-owned hospital which is subject to the provisions of the Nevada Public Records Act, Nevada Revised Statutes Chapter 239, as may be amended from time to time, and as such its records are public documents available to copying and inspection by the public. If Client receives a demand for the disclosure of any information related to this Agreement which AMN has claimed to be confidential and proprietary, Client will immediately notify AMN of such demand and provide AMN the opportunity to seek a protective order from such a disclosure. AMN shall indemnify, defend and hold harmless Client from any claims or actions, including all associated costs and attorney's fees, regarding or related to any demand for the disclosure of AMN documents in Client's custody and control in which AMN claims to be confidential and proprietary. For the avoidance of any doubt, AMN hereby acknowledges that this Agreement will be publicly posted for approval by Client's governing body.
- (g) This Section 5 will survive any termination or expiration of this Agreement.

6. Termination.

- (a) Termination for Cause. This Agreement may be terminated by either party for Cause, as defined herein. The terminating party shall provide the other party with written notice of its intent to terminate for Cause. The terminating party shall include in such notice the basis for such termination, and the non-terminating party shall have thirty (30) days to rectify or modify its performance (the "Cure Period"). Upon expiration of the Cure Period, if the non-terminating party has not rectified or modified its performance, this Agreement shall immediately terminate. As used herein, "Cause" shall mean a material breach of the terms of this Agreement. Notwithstanding the foregoing, the Cure Period for nonpayment by Client of past due invoices shall be fifteen (15) days, and upon affirmation of its

termination, AMN may immediately cease performing the Services. This Agreement shall immediately terminate if Client files a petition in or for bankruptcy, reorganization, an arrangement with creditors, or otherwise is unable to pay its debts.

- (b) Termination for Convenience. This Agreement may be terminated by either party, without cause or penalty, no sooner than twelve (12) months following the earliest Go Live Date related to the attached Service Line Exhibit(s), but at any time thereafter, upon providing the other party with sixty (60) days' advance written notice. Client may delete any Service Line Exhibit from this Agreement, without cause or penalty, no sooner than twelve (12) months following the applicable Go Live Date, but at any time thereafter, upon providing AMN with sixty (60) days' prior written notice, in which case any remaining Service Line Exhibits and this Agreement shall be fully effective and operative unless and until otherwise terminated.
- (c) Termination of a Service Line Exhibit. Expiration or termination of a Service Line Exhibit shall not affect any other Service Line Exhibit, unless this Agreement as a whole is terminated as described in this Section.
- (d) Effect of Termination. Termination of this Agreement shall not release Client from paying AMN all sums, which may be due and owing to AMN for Services rendered hereunder. All Providers confirmed for an assignment or at work on an assignment with Client on the date of termination of this Agreement will be permitted to complete their assignments, and the terms of this Agreement shall continue to apply to such assignments (excluding termination due to a breach). The parties agree to work cooperatively to support workforce transition planning within seven (7) days of receipt of notice of termination.

7. Medicare Access. In compliance with Section 420.302(b) of the Medicare regulations, until the expiration of four (4) years after the furnishing of the Services provided under this Agreement, AMN will make available to the Secretary, U.S. Department of Health and Human Services, the U.S. Comptroller General, and their representatives, this Agreement and all books, documents and records necessary to certify the nature and extent of the costs of the Services provided hereunder. Any subcontract entered into under Section 2(c) hereof will contain a similar clause to the previous sentence for the Services furnished by a subcontractor under such subcontract.

8. Compliance with Law.

- (a) Each party shall, at its own expense, comply with all applicable laws, orders and regulations of federal, state and municipal authorities, and with any lawful direction of any public officer which shall impose any duty upon that party regarding the performance under this Agreement, including but not limited to, the applicable Medicare Compliance Program requirements as set forth in 42 CFR Parts 422 and 423, and CMS guidance ("CMS Regulations"). Client acknowledges that AMN, its Affiliated Companies and Subcontractors are not a health care provider or licensed home health agency.
- (b) Each party represents and warrants to the other party that (i) it has obtained and will keep current all licenses, permits and authorizations to conduct its business; (ii) it is lawfully organized and in good standing in the State in which its principal office is located; (iii) its name in the introductory paragraph hereof is its true, correct and complete legal name; and (iv) the persons executing this Agreement and any amendment have been or will be fully authorized to do so on behalf of and as a binding act of such party.
- (c) **OIG / GSA Compliance.** AMN and Client each represents, and AMN will require Affiliated Companies and Subcontractors to represent, that to the best of its reasonable knowledge, its currently practicing healthcare staff (to include for AMN, Affiliated Companies and Subcontractors its respective Providers, and, for Client and its respective physicians and applicable healthcare staff, hereinafter collectively "Staff"), are not currently excluded from participating in the Medicare or Medicaid programs or other government programs which are reported on the OIG or GSA lists. If an investigation of a party is initiated by any state or federal governmental agency, or it is discovered that the representations contained herein were knowingly false when made, the non-breaching party reserves the right to immediately terminate this Agreement as it relates to the particular service line. It is understood and agreed by the parties that the ability to verify if any Staff are currently debarred is dependent upon the

accuracy of the information contained on the OIG and GSA lists of excluded persons and the representations of each individual Staff member, both of which the parties are entitled to rely on when making this representation.

9. **Equal Employment Opportunity Policy.** Both parties acknowledge that they are equal opportunity employers and agree that they do not and will not discriminate against, harass, or retaliate against any employee or job applicant on the basis of race, color, religion, sex, national origin, age, disability, handicapping condition (including AIDS or AIDS related conditions), veteran status, sexual orientation, gender identity or gender expression, or any other status or condition protected by applicable federal, state or local laws. Client will promptly investigate allegations of discrimination, harassment and retaliation and will report to AMN any suspected discrimination, harassment and/or retaliation either by or against Providers immediately. AMN acknowledges that Client has an obligation to ensure that public funds are not used to subsidize private discrimination. AMN recognizes that if they or their subcontractors are found guilty by an appropriate authority of refusing to hire or do business with an individual or company due to reasons of any of the above, Client may declare AMN in breach of this Agreement, terminate this Agreement, and designate AMN as non-responsible.

10. **Insurance.**

(a) **Insurance.** Client and AMN shall, and AMN shall contractually require Affiliated Companies and Subcontractors to, maintain at each of its own respective expense the following insurance:

- (i) Workers' Compensation for employees as required by law with statutory minimum limits; and
- (ii) Commercial General Liability with limits of not less than \$1,000,000 per occurrence and \$3,000,000 annual aggregate for bodily injury and property damage.

Further, AMN and Client shall each maintain Cyber Risk or equivalent E&O coverage with limits of not less than \$1,000,000 per occurrence and \$3,000,000 annual aggregate. AMN and Client shall each provide the other with certificates of insurance evidencing said insurance coverage prior to the commencement of Services. AMN shall contractually require Subcontractors to furnish certificates of insurance evidencing liability insurance covering Subcontractor and its employees. AMN shall have no liability or responsibility to provide insurance on behalf of Subcontractors or their Providers or employees. AMN understands that Client has a funded program on self-insurance and is acceptable in lieu of commercial insurance.

(b) Additional indemnification obligations and insurance requirements may be set forth in the Service Line Exhibit(s) attached hereto, and such requirements shall be applicable only to such Service Line Exhibit.

11. **Non-Solicitation.**

(a) During the Term of this Agreement, AMN, Affiliated Companies and Subcontractors agree not to directly solicit for employment with such respective parties the employees of Client to whom such parties were introduced in connection with the performance of their respective obligations under this Agreement. The foregoing prohibition shall not prohibit AMN, Affiliated Companies and Subcontractors from conducting general advertising to which Client's employees may respond and AMN, an Affiliated Company or Subcontractor may elect to hire.

(b) During the Term of this Agreement, Client agrees not to directly solicit for employment with Client the corporate employees of AMN, Affiliated Companies or Subcontractors to whom Client was introduced in connection with the performance of their respective obligations under this Agreement. Employment arising from inquiries via advertisements in newspapers, job fairs, unsolicited resumes or applications for employment with Client shall not be construed to be a violation of this Section.

12. **Use of Client Name.** AMN may use Client's name and trademark in any public relations document, including external marketing materials, upon review and written approval by Client prior to its release. Client agrees that time is of the essence and Client's approval will not be unreasonably withheld, delayed or conditioned. Notwithstanding the foregoing, AMN may use Client's name, trademark and factual description

of the work performed under this Agreement (a) for recruiting purposes, without Client's prior written approval, including but not limited to advertising, job postings, and sourcing materials, in print and online and (b) in its annual report to stockholders or whenever required by reason of legal, accounting or regulatory requirements.

13. **Assignment.** With advance written notice to Client, AMN may assign this Agreement or delegate the performance of all or part of its obligations and duties hereunder, to any corporation or other business entity controlled by, controlling, or under common control with, AMN. This Agreement may not be otherwise assigned by either party without the written consent of the other party, which will not be unreasonably withheld, delayed or conditioned. Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under this Agreement on any person or party other than the parties hereto and their respective successors and assigns. Any such assignee shall be bound by the terms of this Agreement and shall have all of the rights and obligations of the assigning party set forth in this Agreement. If any assignee refuses to be bound by all of the terms and obligations of this Agreement or if any assignment is made in breach of the terms of this Agreement, then such assignment shall be null and void and of no force or effect.
14. **Waivers.** Any waiver of a default or provision under this Agreement must be in writing. Either party's failure to require performance of any provision under this Agreement shall not affect its right to require performance at any time thereafter, nor shall either party's waiver of any breach or default of this Agreement constitute a waiver of any subsequent breach or default.
15. **Severability.** Each and every covenant and agreement herein shall be separate and independent from any other, and the breach of any covenant or agreement shall in no way or manner discharge or relieve the performance of any other covenant or agreement. The unenforceability, invalidity or illegality of any provision of this Agreement shall not render the other provisions unenforceable, invalid or illegal.
16. **Notices.** All notices, demands, requests or other instruments which may be or are required to be given hereunder shall be in writing and sent to the addresses set forth below, by hand delivery, first class, certified mail – return receipt requested or via overnight courier, postage prepaid (with confirmation of delivery) to the appropriate address indicated below, or electronic mail with acknowledgment from recipient. The addresses provided below are conclusively deemed to be valid, and notice given in compliance with this provision shall be conclusively presumed to be proper and adequate, unless a written change of address is provided to all parties herein. Each notice shall be deemed delivered on (a) the date delivered if by personal delivery, or (b) if by mail, the date upon which delivery is confirmed or designated as not deliverable by the postal authority.

- (1) Services include the management of staffing services for the temporary or full-time conversion clinical nursing and allied positions for the types of assignments and rates set forth in this Service Line Exhibit (“Clinical Provider(s)”). Nurse and allied clinical staffing may be provided through AMN, Affiliated Companies or through the use of Subcontractors.
- (2) The terms set forth in this Service Line Exhibit apply only to nurse and allied clinical staffing.

B. Client Requirements Table.

- (1) For each Clinical Provider who has been confirmed for an assignment, the Affiliated Company and Subcontractor will obtain and maintain documentation of the requirements set forth in **Exhibit C** specific for its respective Clinical Providers. The costs associated with the requirements set forth in **Exhibit C** are included in the bill rates set forth in this Service Line Exhibit. Any changes to **Exhibit C** will require mutual written agreement of the parties. Client shall pay for all costs associated with additional Client requirements and shall provide sufficient time to adopt such new requirements. Upon Clinical Provider’s arrival to Client’s Facility, Client will verify the identity of each Clinical Provider by a visual check of Clinical Provider’s photo identification and professional license or certification.
- (2) Client will ensure that the documentation requirements set forth in **Exhibit C** include all documentation required to verify that Clinical Providers have the appropriate credentials, and all assigned Clinical Providers shall meet the documentation requirements set forth therein.

C. Term of Service Line Exhibit. This Service Line Exhibit shall commence for a period of three (3) years from the Go Live Date to be mutually agreed to by the parties in writing (“Service Line Initial Term”), unless earlier terminated by either party as set forth in Section 6 of the Agreement. This Service Line Exhibit may be renewed by the parties for two (2) successive one (1) year terms (each a “Service Line Extension Term”) by written mutual agreement. The Service Line Initial Term and all Service Line Extension Terms shall collectively be referred to herein as the “Service Line Term.”

D. Rate Schedule and Compensation.

- (1) Client agrees to pay AMN for the performance of Services described in this **Exhibit A-1** for the not-to-exceed annual amount of **\$10,000,000** during the Service Line Term inclusive of travel expenses.
- (2) The rates set forth below shall go into effect for all new starts and extensions to existing assignments commencing on or after the Go Live Date for this Service Line Exhibit as agreed to in writing by the parties and will not be based on the order or confirmation date by Client. Prior to the Go Live Date for this Service Line Exhibit, Client may place new orders for Clinical Provider assignments, for which AMN may elect in its sole discretion to present its own Clinical Providers through Affiliated Companies pursuant to the rates set forth below without the use of Subcontractors or Technology.
- (3) After the Service Line Initial Term, and each anniversary thereafter, a rate increase equal to the most recently published Medical Care Services National CPI index (Series ID # CUUR0000SAM) for the 12-month period or three percent (3%), whichever is less, may apply. In advance on price adjustments and with suitable proof, AMN shall provide at least a thirty (30) day written notice to Client prior to the end of the Service Line Initial Term and any succeeding anniversary period. Submit request to University Medical Center of Southern Nevada, Attn: Legal Department, 1800 W. Charleston Blvd., Las Vegas, NV 89102. Price adjustments shall not be retroactive. A price adjustment can only occur if AMN has been notified in writing of Client’s approval of the new rates, which shall not be unreasonably withheld.
- (4) The hourly regular rates set forth below include recruitment, housing and compensation, as applicable for each Clinical Provider placed with Client, unless otherwise noted in an order confirmation. - F. High Needs Specialties.** Client may designate certain specialties at the time of order as urgent, immediate, special or unique, for which Client shall approve the use of the Incentive Rate or the Critical Need Rate as set forth in the rate schedule above for the duration of such assignment or extension. ***Incentive Rate*** may be used in situations where there is an unexpected high number of needs including, but not limited to, unexpected FMLAs, resignations, increased census and the regular rate has been used but is not creating enough file flow. ***Critical Need Rate*** is used in situations in which there is a critical staffing need including, but not limited to, the Client’s loss of key personnel or the potential for diversion or shut down of services.

- G. Charge Rate.** In the event a Clinical Provider is required to perform lead or supervisory duties during his or her assignment, Client shall pay an hourly charge rate set forth in the rate schedule above in addition to the applicable confirmed rate for all such hours worked.

- H. Work Week.** Client agrees that billing will be provided weekly and according to Client’s work week which begins Sunday and ends the following Saturday.

- I. Overtime.** Client agrees to pay one and one-half (1.5) times the applicable confirmed rate set forth above for all hours worked by Clinical Providers of more than forty (40) hours in one (1) week. If any applicable law requires AMN to pay a Clinical Provider daily overtime (an overtime multiple such as 1.5 times or 2 times the applicable confirmed rate per hour), Client shall pay AMN the same multiple on the applicable confirmed rate for such hours. AMN may comply with Client’s policies regarding overtime when such compliance accords with AMN’s obligations under state and federal laws, and are communicated to AMN concurrently with the execution of this Agreement or at least ninety (90) days prior to the effective date of such changes.

- J. Holidays.** Client shall pay one and one-half (1.5) times the applicable confirmed rate for time worked by Providers on the following holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas Day. A holiday begins at 12:00 a.m. on the day of the holiday and ends at 11:59 p.m. on the day of the holiday. Client shall pay for hours worked on the day of the holiday.

- K. On-Call/Call Back.** Client shall pay ***uncontrolled on-call hours***, defined as hours where Clinical Provider is not required to stay on the Facility’s premises, at the hourly on-call rate set forth in the rate schedule above. Client will pay ***controlled on-call hours***, defined as hours where Clinical Provider is required to stay on the Facility’s premises, at the applicable confirmed rate. Clinical Provider must arrive at Facility

within forty-five (45) minutes of receiving call. If Clinical Provider is called back to work for Client while serving in an "on-call" capacity, the "on-call" charge will cease and Client shall instead pay AMN one and one-half (1.5) times the applicable confirmed rate for the duration of the call-back period. The minimum call-back period is two (2) hours.

L. Minimum Work Week. For Travel and Local Contract Clinical Providers confirmed for eight (8), ten (10) or any combination of eight (8), ten (10) and twelve (12) hour shifts, Client shall provide such Clinical Providers a guaranteed minimum of forty (40) scheduled hours per each weekly payroll period. For Travel and Local Contract Clinical Providers confirmed for twelve (12) hour shifts, Client shall provide such Clinical Providers a guaranteed minimum of thirty-six (36) scheduled hours per each weekly payroll period. Client and AMN may mutually agree in a written confirmation to a guaranteed minimum of forty-eight (48) scheduled hours per weekly payroll period solely for critical need assignments on a per confirmation basis. The guaranteed minimum work week applies to all work weeks, including weeks during which orientation is provided, weeks with holidays and weeks during which there may be unit closures for all or any portion of such week. Should Client not provide the minimum guaranteed hours, Client will be invoiced and shall pay the applicable confirmed rate for all hours below the minimum for such Clinical Provider. The calculation of the guaranteed minimum work week includes regular hours, call back hours and overtime hours worked, but does not include any "on-call" time. A guaranteed minimum work week does not apply to Per Diem Clinical Providers. Client however can cancel up to one (1) shift per 13-week assignment of a Clinical Provider without penalty. If Clinician has an unexcused absence or voluntarily does not work the assigned shift, Client is not responsible for payment of unworked hours and/or shift.

M. Additional Obligations.

- (1) Client shall be responsible for compliance with all relevant safety and health laws and regulations during the period of a Clinical Provider's assignment under Client's supervision, including but not limited to applicable Joint Commission regulations relating to orientation and evaluation and HIPAA regulations. Client will provide each Clinical Provider with all necessary site-specific training, orientation, equipment (including Respiratory Fit Testing) and evaluations that are required for members of Client's workforce under applicable federal, state or local occupational safety laws or rules, including Joint Commission and HIPAA. Further, Client will utilize Clinical Providers only for the need requested and will assign Clinical Providers to work only in the clinical specialty areas in which they are professionally qualified and oriented to work. Client agrees to float a Clinical Provider only in accordance with Client's floating policies for all staff, and the clinical experience of Clinical Provider. Client confirms that Client's policies on floating comply with current (and will comply with any future) Joint Commission standards, including the provision of an appropriate orientation to the new unit.
- (2) Clinical Providers shall perform work at Client's location(s) and under Client's supervision and direction. Client has full medical responsibility of its patients in general and shall provide and be responsible for oversight of Clinical Providers in connection with the temporary or full-time conversion professional services provided by Clinical Providers for Client. Client will control the details of the work and will be responsible for the work product of Clinical Providers. AMN, Affiliated Companies or Subcontractors will not provide office space, equipment or other materials required for the performance of work by Clinical Providers assigned to Client hereunder.
- (3) Client agrees to complete an evaluation regarding the performance of each Clinical Provider upon completion of Clinical Provider's assignment (or after the first completed shift and annually thereafter for Per Diem Clinical Providers) and to forward each such evaluation to AMN within fifteen (15) days.
- (4) Client shall be solely responsible for implementing, maintaining and administering Client's employee benefit plans so that such plans effectively exclude Clinical Providers from coverage where Client does not intend to cover Clinical Providers. Client agrees that AMN shall not be liable to Client for any claims for benefits under Client employee benefit plans that may be asserted by Clinical Providers.
- (5) AMN, Affiliated Company or Subcontractor, as applicable, will employ Clinical Providers and manage all employment aspects of their respective employed Clinical Providers assigned to Client, to include hiring, employment-based counseling, terminations, salary review, annual performance evaluations, and placement. AMN, Affiliated Companies or Subcontractors shall be responsible for the payment of

wages to their respective employed Clinical Providers for work performed on assignments hereunder and AMN, Affiliated Company or Subcontractor, as applicable shall verify the identity and right to work of each of their respective employed Clinical Providers under the United States immigration laws.

- (6) Client may hire or retain the services of (on any basis, including but not limited to a full-time, part-time, contract or temporary employee) Clinical Providers placed on assignment only in accordance with this Service Line Exhibit. Client shall not knowingly (directly or indirectly) cause or encourage any Clinical Providers to transfer to or work for another personnel or employee staffing company other than the AMN, Affiliated Company or Subcontractor who originally confirmed the Clinical Provider. Notwithstanding the foregoing, restrictions shall not apply where prohibited by law.

N. Insurance.

- (1) AMN shall, and AMN shall contractually require Affiliated Companies and Subcontractors to maintain, at each of its own respective expense, the following insurance:

 - (ii) Automobile Liability with limits of not less than \$1,000,000 combined single limit.
- (2) AMN shall contractually require Subcontractors to furnish certificates of insurance evidencing liability insurance covering Subcontractor and its employees. In the event such liability insurance is not commercially available in the amounts required, then the parties shall provide insurance in such amounts as they shall mutually agree to in writing. AMN shall have no liability or responsibility to provide insurance on behalf of Subcontractors or their Clinical Providers or employees.

O. Removal of Clinical Providers from Assignment, Postponement and No-Shows.

- (1) Travel and Local Contract Clinical Provider Cancellations. Client may immediately terminate an assignment of Clinical Provider upon providing notice in writing that Clinical Provider is incapable of performing the duties of the position, commits acts of professional negligence, is absent from the position without Client's permission during scheduled times, is insubordinate, engages in substance abuse, violates Client's express rules or regulations, or engages in other unprofessional conduct or breach, or neglect of duty. Client shall make available to AMN copies of all non-privileged documentation about problems or incidents in which Clinical Providers are involved. In the event Client wishes to cancel or terminate a Clinical Provider at any time prior to start of assignment or during such assignment for reasons other than those listed above, Client agrees to give AMN written notice as set forth below:
 - (i) For Travel Clinical Providers – Thirty (30) days written notice of cancellation. Should Client be unable to provide such cancellation notice, Client agrees to pay a cancellation fee of two (2) weeks of guaranteed minimum hours at the Travel Clinical Provider's applicable confirmed hourly billing rate.
 - (ii) For Local Contract Clinical Providers – Seven (7) days written notice once a confirmation has been sent by AMN or Subcontractor and Clinical Provider has been booked to start, or once Clinical Provider has actually begun their assignment. Should Client be unable to provide such cancellation notice, Client agrees to pay a cancellation fee of one (1) week of guaranteed minimum hours at the Local Contract Clinical Provider's applicable confirmed hourly billing rate.

In the event of a cancellation without cause, including cancellations with proper notice, Client shall be responsible for any housing and travel costs actually incurred by AMN as a result of such cancellation.

- (2) Per Diem Clinical Provider Cancellations and Late Shift Starts.
 - (i) For Per Diem Clinical Providers, Client shall provide two (2) hours' notice of cancellation before a scheduled shift or it will be considered a late cancellation and Client shall pay for two (2) hours at

the applicable confirmed rate for the Per Diem Clinical Provider. If the scheduled Per Diem Clinical Provider has reported to Client and is later not needed and sent home, Client shall pay the greater of (i) the number of hours worked by Per Diem Clinical Provider at the applicable confirmed rate or (ii) four (4) hours at the applicable confirmed rate for the Per Diem Clinical Provider; it being understood that Client reserves the right to work the Per Diem Clinical Provider for such four (4) hours if Client chooses.

- (ii) If a Per Diem Clinical Provider is late for a scheduled shift, AMN will bill Client only for actual hours worked by the Per Diem Clinical Provider. If AMN does not give Client two (2) hours' notice of a cancellation, it will be considered a late cancellation on the part of AMN and two (2) hours of credit will be due to Client which will be reflected on the next invoice, unless AMN is able to locate a replacement Per Diem Clinical Provider acceptable to Client to work the assignment. If AMN is contacted by Client to schedule a shift less than two (2) hours in advance of the start of that shift, Client will pay for the entire shift requested, as long as the Per Diem Clinical Provider arrives within one (1) hour of the shift start time. If Per Diem Clinical Provider does not arrive within one (1) hour of the shift start time, Client will pay for all hours worked by the Per Diem Clinical Provider from arrival at Client's Facility to the end of his/her shift. If a Per Diem Clinical Provider does not show up for a scheduled shift, two (2) hours of credit will be due to Client and such credit will be reflected on the next invoice, unless AMN is able to locate a replacement Per Diem Clinical Provider acceptable to Client to work the assignment. AMN will use best-faith effort to pay the two (2) hours of credit in a timely manner, not to exceed invoice the invoice term of six (6) months, as outlined in Section 4(c) of this Agreement.

P. Hiring of Clinical Providers by Client. For purposes of this entire Section, hours of Clinical Providers include all hours worked at Client after the Go Live Date of this Service Line Exhibit.

- (1) Client will have sole responsibility for making hiring decisions with respect to Clinical Providers that Client decides to hire ("Conversion Candidate"). Client acknowledges and agrees that, effective on the date the Conversion Candidates are hired by Client, Conversion Candidates are employees of Client and neither AMN, Affiliated Company nor Subcontractor shall have liability for any acts or omissions of such Conversion Candidates.
- (2) Right to Hire Clinical Providers. Following presentation or confirmation of Clinical Provider for an assignment, whichever is later, Client may hire or retain the services of (on any basis, including but not limited to a full-time, part-time, contract or temporary employee) a: (i) Travel or Local Contract Clinical Provider only after the completion of at least 520 consecutive hours on assignment and the current or confirmed assignment, or (ii) a Per Diem Clinical Provider only after the completion of at least 520 hours on assignment. Client shall provide AMN thirty (30) days' prior written notice of its intent to directly hire any Clinical Providers, including the date of anticipated hire.

Hours Worked by Clinical Provider	Fee Based on Percentage of Expected Annualized First Year's Base Salary
0 hours	
Less than hours 400	
hours 400 to 519 hours

- (3) Guarantee Period: 0-Hour Conversion. In the event that a 0-hour Conversion Candidate is hired by Client pursuant to this Service Line Exhibit resigns or is terminated within thirty (30) days following commencement of employment, then Client shall select by written notification either a refund of the reassignment fee paid for such Conversion Candidate or a free-of-charge Conversion Candidate replacement on the following basis:
 - (i) If the date of resignation or termination ("End Date") is between one (1) and thirty (30) days following the Conversion Candidate's first (1st) day of employment ("Start Date"), then AMN shall refund to Client the reassignment fee on a prorated basis, with AMN retaining the percentage of the

reassignment fee equal to the percentage of the time worked by the Conversion Candidate during the thirty (30) day guarantee period.

(ii) AMN will not be bound by the thirty (30) day guarantee period as specified herein, if any of the following occurs during the performance of this Service Line Agreement:

(a) Placed Conversion Candidate is discharged due to change in business conditions (e.g., Client general layoff or restructuring) or other factors out of the placed Conversion Candidate's control; or

(b) Placed Conversion Candidate resigns due to a material misrepresentation of the job description or financial condition of Client, reporting structure, or is asked to perform activities that are unethical.

(iii) Guarantee Period Invoicing. AMN will invoice Client only when employment, resulting from AMN's placement, is commenced and the Conversion Candidate is hired by Client within one (1) year of referral. Payment of a correct invoice by Client shall be due within ninety (90) days after the date of hire of Conversion Candidate's referral and shall include remittance instructions.

(4) The obligations of this Section survive the expiration or termination for any reason of this Agreement for a period of twelve (12) months.

Q. Limitation of Liability.

(1) Client agrees, and AMN shall contractually require Affiliated Companies and Subcontractors to agree, that Client, Affiliated Companies and Subcontractors, as applicable, shall each be liable to the other party under this Section only for the proportionate liability or representative share of negligence allocated to such party based on the negligent acts or omissions of its respective directors, officers, and employees.

(2) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, IN NO EVENT SHALL AMN NOR CLIENT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE).

The Service Line Initial Term and all Service Line Extension Terms shall collectively be referred to herein as the “Service Line Term.”

D. Rate Schedule and Compensation.

- (1) Client agrees to pay AMN for the performance of Services described in this **Exhibit A-2** for the not-to-exceed annual amount of **\$12,000,000** during the Service Line Term inclusive of travel expenses.
- (2) The following schedule includes the bill rate ranges for the locum tenens positions listed below. The rate ranges set forth below shall go into effect for all new starts and extensions to existing assignments commencing on or after the Go Live Date for this Service Line Exhibit as agreed to in writing by the parties and will not be based on the order or confirmation date by Client. Prior to the Go Live Date for this Service Line Exhibit, Client may place new orders for Locum Tenens Provider assignments, for which Affiliated Companies may elect in its sole discretion to present Locum Tenens Providers pursuant to the rate ranges set forth below without the use of Subcontractors or Technology.
- (3) The parties acknowledge that the actual hourly bill rates charged for locum tenens assignments shall depend on the complexity and circumstances of a specialty or specific position, the geographic location of the assignment, demand for certain specialties, speed with which a Locum Tenens Provider is requested by Client, and the pay requirements of a locum tenens provider. Client and AMN will specify any placement specific terms, including but not limited to rates in a Confirmation, which shall take precedence over the rate ranges listed in the schedule below and/or the terms in this Service Line Exhibit.
- (4) After the Service Line Initial Term, and each anniversary thereafter, a rate increase equal to the most recently published Medical Care Services National CPI index (Series ID # CUUR0000SAM) for the 12-month period or three percent (3%), whichever is less, may apply. In advance on price adjustments and with suitable proof, AMN shall provide at least a thirty (30) day written notice to Client prior to the end of

the Service Line Initial Term and any succeeding anniversary period. Submit request to University Medical Center of Southern Nevada, Attn: Legal Department, 1800 W. Charleston Blvd., Las Vegas, NV 89102. Price adjustments shall not be retroactive. A price adjustment can only occur if AMN has been notified in writing of Client's approval of the new rates, which shall not be unreasonably withheld.

- (5) The rate schedule below includes: (i) the amounts payable by Client to AMN for AMN's Services, and (ii) fees to be paid to Provider, as agreed to by Locum Tenens Provider and Client. The portion of the rate payable to AMN will vary depending upon amounts payable to Locum Tenens Provider from Client. Such variation will not affect the amounts reflected in the schedule. Affiliated Company or Subcontractor shall pay the Locum Tenens Providers on behalf of Client for services rendered and at rates agreed to by Client and Locum Tenens Providers, as facilitated by Affiliated Company or Subcontractor. Client acknowledges that Affiliated Company or Subcontractor acts solely as a placement agency and will negotiate on behalf of Client the rate to be paid to Locum Tenens Provider.

Client shall exercise independent judgment of the professional qualifications of Locum Tenens Providers and whether they meet the requirements of their assignments. Client shall assign Locum Tenens Providers only to areas of practice within their clinical competence.
- (2) Client shall determine with Locum Tenens Provider, as facilitated by AMN, Locum Tenens Provider's fees, coverage assignments, schedule, number of hours provided, number of patients served and all other requirements related to the performance of professional services by Locum Tenens Provider in accordance with the terms set forth in the applicable Confirmation.

For the purpose of clarity, the Reassignment Fee is due as to any Presented Provider whose services or curriculum vitae were made available to Client orally or in writing unless Client provides notice that Client is contractually prevented from accepting such Presented Provider pursuant to a prior agreement with another agency (specific to time and location) within five (5) business days of the presentation of such Presented Provider by AMN. - (3) Termination of Locum Tenens Provider for Cause. If during any assignments or placements hereunder, Client requires a termination of Locum Tenens Provider for "cause," Client shall provide written notice of such determination to AMN, and AMN shall attempt to replace such Locum Tenens Provider. Client shall be solely responsible for terminating the Locum Tenens Provider for "cause" which shall mean a Locum Tenens Provider's unsatisfactory or unacceptable performance including, but not limited to, intentional or unintentional dereliction of duties, absence during scheduled work times without Client's written approval, acts of professional negligence, or loss of hospital privileges, each as determined by Client in its sole discretion. Client may request that AMN, on Client's behalf, deliver a notice of termination for cause to the Locum Tenens Provider, which notice shall be delivered promptly and shall be effective upon delivery. AMN shall not have the unilateral right or authority to terminate a Locum

Tenens Provider's assignment. Client shall pay AMN and Locum Tenens Provider, as applicable, for amounts due and owing under this Service Line Exhibit or the applicable Confirmation through the date of Client's termination of Locum Tenens Provider's assignment. If Client terminates a Locum Tenens Provider (or refuses to use a Locum Tenens Provider) as a result of any background check, drug test or other screening procedure conducted on the Locum Tenens Provider, Client shall provide AMN with the results of such screenings unless otherwise prohibited by applicable law.

- (4) Client shall not knowingly (directly or indirectly) cause or encourage or permit any Locum Tenens Provider to transfer to or work through another locum tenens company other than AMN, the Affiliated Company or Subcontractor who originally presented the Locum Tenens Provider. Notwithstanding the foregoing, restrictions shall not apply where prohibited by law.

- (2) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, IN NO EVENT SHALL AMN NOR CLIENT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE).
- (3) CLIENT AGREES THAT CLIENT, AFFILIATED COMPANIES AND SUBCONTRACTORS SHALL NOT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE). FURTHER, CLIENT AUTHORIZES AMN TO INCLUDE A CONTRACTUAL PROVISION IN THE SUBCONTRACT AGREEMENTS TO EFFECT SUCH TERMS STATED IN THIS SUBSECTION.

NOTE: For positions not listed above, the rate(s) shall be agreed to in writing by both parties before confirmation of any job order.

Note: Randstad (“RSR”), a subcontractor used by AMN for the management of non-clinical temporary staffing services to Client, will support hiring manager’s ability to set rates based on Client established budgets. To better assist hiring manager in rate benchmarking, RSR will create a rate card (as guidance) enabling the business to optimize cost savings but also remain competitive in the marketplace. Upon execution of this Service Line Exhibit, Randstad will conduct a rate analysis based on various components such as specific job functions, location, and market trends. The rate card will be built into the suite of options within the tool.

- F. **Overtime.** Client agrees to pay one and one-half (1.5) times the applicable regular rate set forth above for all hours worked by Non-Clinical Providers of more than forty (40) hours per week. If any applicable law requires AMN to pay a Non-Clinical Provider daily overtime (an overtime multiple such as 1.5 times or 2 times the regular rate), Client shall pay AMN the same multiple on the bill rate for such hours.
- G. **Holidays.** Client shall pay one and one-half (1.5) times the applicable regular rate set forth above for time worked by Non-Clinical Providers on the following holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas Day. H. Expenses. Client shall pay AMN for all pre-approved Non-Clinical Providers' travel expenses. All expenses must be supported by written receipts. AMN agrees to comply with Client's Travel Reimbursement policy.

I. Additional Obligations.

- (1) Client acknowledges that Non-Clinical Providers will perform work on a temporary or full-time conversion basis under the direction of Client. Client shall properly supervise Non-Clinical Providers, control the details of their work, and shall be responsible for the work product of the Non-Clinical Providers. Client will be responsible for its business operations, products, services, and intellectual property. AMN, Affiliated Companies and Subcontractors will not be responsible for the work product, acts, errors or omissions of the Non-Clinical Providers on assignment at Client. In the event Client requests a Non-Clinical Provider to obtain remote access (within the United States) to Client's system and/or applications, Client (and not AMN, Affiliated Company or Subcontractors) shall be responsible for ensuring that Non-Clinical Providers meet the Client's access and/or use requirements.
- (2) Client shall be responsible for compliance with all relevant safety and health laws and regulations during the period of a Non-Clinical Provider's assignment under Client's supervision. Client shall provide a safe place to work, adequate supervision and all necessary site-specific information, training, instructions and safety equipment. Client agrees to include Non-Clinical Providers in any Client safety program and hazardous communication training program, and to cover the cost of any safety or personal protective equipment.
- (3) Client shall provide a job description for the temporary or full-time conversion Non-Clinical position requested no later than the time of order placement. Client shall not change the assignment or job duties of Non-Clinical Providers without AMN's prior written approval.
- (4) Client agrees that it will control and safeguard its premises, processes, or systems, and not permit Non-Clinical Providers to operate any vehicle or mobile equipment, perform work involving the handling of hazardous substances (as defined by OSHA), or entrust them with unattended premises, cash, checks, keys, or credit cards without AMN's prior written approval or as strictly required by the job description provided to AMN and agreed to by AMN. Client shall not entrust merchandise, confidential or secret information, non-public personally identifiable information, negotiable instruments, or other valuables without AMN's prior written approval or as strictly required by the job description provided to AMN and agreed to by AMN.
- (5) Client agrees that temporary or full-time conversion bookkeepers, financial analysts and other finance-related personnel shall not sign any accounting or other financial related opinions or other related documentation. In addition, such Non-Clinical Providers shall not sign any documents which are going to be filed with any federal, state or local government, including without limitation, any financial statements which are attached and incorporated into the public filings of publicly traded companies with the Securities and Exchange Commission.

J. Removal from Assignment.

- (1) Client may immediately terminate an assignment of a Non-Clinical Provider upon providing notice in writing (e.g., e-mail) that the Non-Clinical Provider is incapable of performing the duties of the position, commits acts of negligence, is absent from the position without Client's permission during scheduled times, is insubordinate, engages in substance abuse, violates Client's express rules or regulations, or engages in other unprofessional conduct or breach, or neglect of duty. Client shall make available to AMN copies of all non-privileged documentation about problems or incidents in which Non-Clinical Providers are involved. Client shall remain responsible to pay AMN for all time worked by the Non-Clinical Provider.
- (2) In the event that Client requests that a Non-Clinical Provider that has been scheduled to provide services (whether or not actually placed in the Facility) be removed or his or her placement be cancelled, and such removal or cancellation does not satisfy the conditions of the preceding paragraph, Client shall pay all amounts owed hereunder for services provided through the effective date and time of

the cancellation. Client also agrees to reimburse Affiliated Company or Subcontractor for any reasonable fees and/or charges incurred that result from the cancellation including, but not limited to: airline penalties for cancellation and rescheduling, non-refundable housing deposits, and all other non-cancellable amounts for which Client would have been required to pay or reimburse through the remaining term of the assignment (such as non-cancellable rental or lease costs).

K. Hiring of Non-Clinical Providers by Client. For purposes of this entire Section, hours of Non-Clinical Providers include all hours worked at Client after the Go Live Date of this Service Line Exhibit.

- (1) Client shall have sole responsibility for making hiring decisions with respect to Non-Clinical Providers that Client decides to hire as a Client employee ("Conversion Candidate"). Client acknowledges and agrees that, effective on the date the Conversion Candidates are hired by Client, Conversion Candidates are employees of Client and neither AMN, Affiliated Company nor Subcontractor shall have liability for any acts or omissions of such Conversion Candidates.
- (2) Following confirmation of assignment, Client may subsequently hire or retain the services of (on any basis, including but not limited to a full-time, part-time, contract or temporary employee) a Non-Clinical Provider only after the completion of at least 1,000 consecutive hours on assignment and the current or confirmed assignment. Should Client hire or retain the services of any Non-Clinical Provider and the Non-Clinical Provider has worked less than 1,000 hours, Client shall pay AMN a conversion fee (no fee applies where prohibited by law) calculated as follows: ██████ percent (█████%) of the Non-Clinical Provider's annualized first year's base salary reduced by the percentage of hours worked of 1,000 hours. Client shall provide AMN with prior written notice of its intent to directly hire any Non-Clinical Providers, including the date of anticipated hire. AMN agrees to waive the conversion fee if the Non-Clinical Provider has been initially sourced by Client and presented to AMN by Client.
- (3) The conversion fee is due in accordance with Section K(4)(iii) below on the day the Non-Clinical Provider candidate performs any services to Client outside of this MSP program. These policies will remain in full effect regardless of the date of termination or cancellation of coverage or cancellation of this Service Line Exhibit, and whether or not Client, AMN, Affiliated Company or Subcontractor is in breach of any term of this Agreement. In addition, should Client elect to interview a Non-Clinical Provider Candidate for a permanent position, Client agrees to pay the expenses related to that interview.
- (4) Guarantee Period: 0-Hour Conversion. In the event that a 0-hour Conversion Candidate is hired by Client pursuant to this Service Line Exhibit resigns or is terminated within thirty (30) days following commencement of employment, then Client shall select by written notification either a refund of the conversion fee paid for such Conversion Candidate or a free-of-charge Conversion Candidate replacement on the following basis:
 - (i) If the date of resignation or termination ("End Date") is between one (1) and thirty (30) days following the Conversion Candidate's first (1st) day of employment ("Start Date"), then AMN shall refund to Client the conversion fee on a prorated basis, with AMN retaining the percentage of the conversion fee equal to the percentage of the time worked by the Conversion Candidate during the thirty (30) day guarantee period.
 - (ii) AMN will not be bound by the thirty (30) day guarantee period as specified herein, if any of the following occurs during the performance of this Service Line Agreement:
 - (a) Placed Conversion Candidate is discharged due to change in business conditions (e.g., Client general layoff or restructuring) or other factors out of the placed Conversion Candidate's control; or
 - (b) Placed Conversion Candidate resigns due to a material misrepresentation of the job description or financial condition of Client, reporting structure, or is asked to perform activities that are unethical.

- (iii) Guarantee Period Invoicing. AMN will invoice Client only when employment, resulting from AMN's placement, is commenced and the Conversion Candidate is hired by Client within one (1) year of referral. Payment of a correct invoice by Client shall be due within ninety (90) days after the date of hire of Conversion Candidate's referral and shall include remittance instructions.
- (5) This Section will survive any termination or expiration of this Agreement for a period of twelve (12) months.
- (6) Permanent Placement. The placement fee will be ██████ percent (█████%) of Conversion Candidate's annual salary. The placement fee shall be earned by Randstad when a candidate referred by Randstad is subsequently employed by Client within six (6) months of the first presentation of such candidate to Client. These candidates have not worked on a temporary basis with Client through Randstad. In the event Client voluntarily files a Chapter 11 bankruptcy petition (or becomes subject to an involuntary bankruptcy petition), it shall, as soon as practicable thereafter, seek entry of an Order from the U.S. Bankruptcy Court having jurisdiction over Client's bankruptcy case(s), in form and substance acceptable to Randstad, (a) assuming this Agreement, (b) authorizing payment to Randstad as part of any employee wage motion filed by or on behalf of Client, or (c) naming Randstad as a 'critical vendor' and authorizing the payment of Randstad's pre-petition invoices. Client acknowledges that its failure to timely procure either such Order shall automatically serve as grounds for Randstad's immediate rejection/termination of this Agreement. Client acknowledges that Randstad is relying on this provision as an inducement to enter into this Agreement and provide further services to Client from and after the date hereof.

Client agrees to pay the placement fee referenced above in accordance with previously agreed upon and documented payment terms. Absent any previously agreed upon and documented payment terms, Client agrees to pay the placement fee referenced above within fourteen (14) days from the date of invoice.

Randstad offers a thirty (30) day permanent placement guarantee based on the following terms:

- If within thirty (30) days of placement, the candidate should be terminated for performance reasons or should voluntarily resign from the position, Client may request and receive a replacement at no additional cost (Terminations due to position elimination or economic downsizing do not qualify for the guarantee).
- In the event that Randstad is unable to provide a qualified replacement, Randstad will offer a pro-rated refund.
- This guarantee is valid only if payment is received within thirty (30) days of the start date of the initial placement. If payment is not received within that timeframe, the guarantee will not apply and the fee will remain payable in full.

L. Insurance.

- (1) AMN will contractually require Affiliated Company and Subcontractor to each maintain at its own expense the following insurance:
- (i) Errors and Omissions liability insurance with minimum limits of \$1,000,000 per occurrence and \$2,000,000 annual aggregate covering any damages caused by an error, omission or any negligent act of the Affiliated Company, Subcontractor, their respective employees and Non-Clinical Providers.
- (2) AMN shall contractually require Subcontractors to furnish certificates of insurance evidencing liability insurance covering Subcontractor, its Non-Clinical Providers and employees. AMN shall not provide insurance on behalf of Subcontractors or their Non-Clinical Providers or employees.

M. Limitation of Liability.

- (1) Client agrees, and AMN shall contractually require Affiliated Companies and Subcontractors to agree, that Client, Affiliated Companies and Subcontractors, as applicable, shall each be liable to the other party under this Section only for the proportionate liability or representative share of negligence

allocated to such party based on the negligent acts or omissions of its respective directors, officers, and employees.

- (2) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, IN NO EVENT SHALL AMN NOR CLIENT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE).
- (3) CLIENT AGREES THAT CLIENT, AFFILIATED COMPANIES AND SUBCONTRACTORS SHALL NOT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE). FURTHER, CLIENT AUTHORIZES AMN TO INCLUDE A CONTRACTUAL PROVISION IN THE SUBCONTRACT AGREEMENTS TO EFFECT SUCH TERMS STATED IN THIS SUBSECTION.
- (4) The obligations set forth in this Section shall expressly survive the expiration or termination, for whatever reason, of this Agreement.

Exhibit A-4
SERVICE LINE – Interim Leadership Provider Staffing

A. Scope of Staffing Services.

- (1) Services include the management of staffing service orders for the interim leadership professional positions as agreed to by the parties in a confirmation form (“Interim Leadership Providers”). For purposes of this Service Line Exhibit, interim leadership professional staffing will be provided through AMN’s Affiliated Companies that provide interim leadership professional staffing or through the use of Subcontractors.
- (2) The terms set forth in this Service Line Exhibit apply only to the staffing of Interim Leadership Providers.

B. Client Requirements Table.

- (1) For each Interim Leadership Provider who has been confirmed for an assignment, upon request by Client, AMN will provide Client with the requirements set forth in **Exhibit C** specific to Interim Leadership Provider assignment. Upon Interim Leadership Provider’s arrival to Client’s Facility, Client will verify the identity of each Interim Leadership Provider by a visual check of Interim Leadership Provider’s photo identification and professional license or certification.
- (2) Client shall interview candidates within five (5) business days of candidate profile submission and shall determine whether the Interim Leadership Provider is confirmed for assignment within five (5) business days of interview.

C. Term of Service Line Exhibit. This Service Line Exhibit shall commence for a period of three (3) years from the Go Live Date to be mutually agreed to by the parties in writing (“Service Line Initial Term”), unless earlier terminated by either party as set forth in Section 6 of the Agreement. This Service Line Exhibit may be renewed by the parties for two (2) successive one (1) year terms (each a “Service Line Extension Term”) by written mutual agreement. The Service Line Initial Term and all Service Line Extension Terms shall collectively be referred to herein as the “Service Line Term.”

D. Rate Schedule and Compensation.

- (1) Client agrees to pay AMN for the performance of Services described in this **Exhibit A-4** for the not-to-exceed annual amount of **\$5,000,000** during the Service Line Term inclusive of travel expenses.
- (2) The rates set forth below shall go into effect for all new starts and extensions to existing assignments commencing on or after the Go Live Date for this Service Line Exhibit as agreed to in writing by the parties and will not be based on the order or confirmation date by Client.
- (3) After the Service Line Initial Term, and each anniversary thereafter, a rate increase equal to the most recently published Medical Care Services National CPI index (Series ID # CUUR0000SAM) for the 12-month period or three percent (3%), whichever is less, may apply. In advance on price adjustments and with suitable proof, AMN shall provide at least a thirty (30) day written notice to Client prior to the end of the Service Line Initial Term and any succeeding anniversary period. Submit request to University Medical Center of Southern Nevada, Attn: Legal Department, 1800 W. Charleston Blvd., Las Vegas, NV 89102. Price adjustments shall not be retroactive. A price adjustment can only occur if AMN has been notified in writing of Client’s approval of the new rates, which shall not be unreasonably withheld.
- (4) Interim Leadership Provider Rates.

Each Interim Leadership Provider shall be scheduled for a minimum assignment duration of twelve (12) weeks, beginning with the first (1st) full week that Interim Leadership Provider works. Such Interim Leadership Provider positions may be added to this Service Line Exhibit through mutual agreement of the parties in a written amendment to this Agreement signed by both parties, or through execution of an Interim Leadership Provider confirmation form, a sample of which is attached hereto as **Attachment 1** to **Exhibit A-4** (“Confirmation”).

INTERIM LEADERSHIP PROVIDERS	
POSITION	WEEKLY REGULAR RATE
Interim Leadership Providers	To be determined for each order and agreed to in writing by executing a Confirmation; each Confirmation can be signed by Client's authorized representative or his designee as previously identified in writing. (Refer to Attachment 1 to Exhibit A-4)

The weekly regular rate set forth above is inclusive of compensation, per diem meal allowance, paid travel days home every other week as set forth in the Confirmation, and all hospital observed holidays (New Year's Day, Martin Luther King, Jr. Day, President's Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Nevada Day, Veteran's Day, Thanksgiving, Day after Thanksgiving, and Christmas Day).

E. Exempt Status.

- (1) Client shall provide a job description for the temporary or full-time conversion exempt positions set forth above no later than the time of order placement. Client shall not change the assignment or job duties of such Interim Leadership Providers without AMN's prior written approval. Client represents and warrants that (i) the positions set forth in this Service Line Exhibit or a Confirmation are exempt positions pursuant to applicable state and federal laws, and (ii) Client shall maintain the exempt status of such Interim Leadership Provider through the duration of the Interim Leadership Provider's assignment. Provided Client maintains the exempt status, Client will not pay overtime for hours worked by Interim Leadership Providers.

F. Additional Obligations.

- (1) Client shall be responsible for compliance with all relevant safety and health laws and regulations during the period of an Interim Leadership Provider's assignment under Client's supervision including, but not limited to, applicable Joint Commission regulations relating to orientation and evaluation, and HIPAA regulations. Client will provide each Interim Leadership Provider with all necessary site-specific training, orientation, equipment and evaluations required by federal, state or local occupational safety laws or rules, including Joint Commission and HIPAA, for members of Client's workforce. Further, Client will only utilize Interim Leadership Providers for the need requested and will only assign Interim Leadership Providers to work in the areas in which they are professionally qualified and oriented to work. Client agrees that Interim Leadership Providers shall not provide patient care, nor shall Client require Interim Leadership Provider to float. In the unlikely event that Client requires an Interim Leadership Provider to float, Client agrees to float an Interim Leadership Provider only in accordance with Client's floating policies for all staff, and the experience of Interim Leadership Provider. Client confirms that Client's policies on floating comply with current (and will comply with any future) Joint Commission standards, including the provision of an appropriate orientation to the new unit.
- (2) Interim Leadership Providers shall perform work at Client's location(s) and under Client's supervision and direction. Client has full medical responsibility of its patients in general and shall provide and be responsible for oversight of Interim Leadership Providers in connection with the temporary or full-time conversion professional services provided by Interim Leadership Providers for Client. Client will control the details of the work and shall be responsible for the work product of Interim Leadership Providers. Client will be responsible for its business operations, products, services, and intellectual property. AMN will not provide office space, equipment or other materials required for the performance of work by Interim Leadership Providers assigned to Client hereunder. AMN, Affiliated Companies and Subcontractors shall not be responsible for the work product, acts, errors or omissions of the Interim Leadership Providers. In the event Client requests an Interim Leadership Provider to obtain remote access (within the United States) to Client's system and/or applications, Client (and not AMN, Affiliated

Companies or Subcontractors) shall be responsible for ensuring Interim Leadership Providers meet the Client's access and/or use requirements.

- (3) Client agrees to complete a written evaluation regarding the performance of each Interim Leadership Provider upon completion of Interim Leadership Provider's assignment and to forward each such evaluation to AMN within fifteen (15) days.
- (4) Client shall be solely responsible for implementing, maintaining and administering Client's employee benefit plans so that such plans effectively exclude Interim Leadership Providers from coverage where Client does not intend to cover Interim Leadership Providers. Client agrees that AMN shall not be liable to Client for any claims for benefits under Client employee benefit plans that may be asserted by Interim Leadership Providers.
- (5) Affiliated Company or Subcontractor, as applicable, will manage all employment aspects of their respective Interim Leadership Providers assigned to Client, to include hiring, employment-based counseling, terminations, salary review, annual performance evaluations, and placement. Affiliated Companies or Subcontractors shall be responsible for the payment of wages to their respective Interim Leadership Providers for work performed on assignments hereunder and shall verify the identity and right to work of each Interim Leadership Provider under the United States immigration laws.
- (6) Client may hire or retain the services of (on any basis, including but not limited to a full-time, part-time, contract or temporary employee) Interim Leadership Providers placed on assignment only in accordance with this Service Line Exhibit. Client shall not knowingly (directly or indirectly) cause or encourage any Interim Leadership Providers to transfer to or work for another personnel or employee staffing company other than the Affiliated Company or Subcontractor who originally confirmed the Interim Leadership Provider. Notwithstanding the foregoing, restrictions shall not apply where prohibited by law.

G. Insurance.

- (1) AMN, Affiliated Company and Subcontractor shall each maintain at its own expense the following insurance:
 - (i) Workers' Compensation for employees as required by law with statutory minimum limits;
 - (ii) Employers' Liability coverage for damages due to bodily injuries either by accident or disease with limits of not less than \$1,000,000 per occurrence and \$1,000,000 annual aggregate; and
 - (iii) Commercial General Liability with limits of not less than \$1,000,000 per occurrence and \$3,000,000 annual aggregate for bodily injury and property damage.
- (2) AMN shall contractually require Affiliated Companies and Subcontractors to maintain non-clinical Errors and Omissions (E&O) liability insurance with limits of not less than \$1,000,000 per occurrence and \$3,000,000 annual aggregate. Client shall maintain Director's & Officer's (D&O) liability insurance in amounts that are customary and standard within the healthcare industry.
- (3) It is hereby understood and agreed that Interim Leadership Providers are not intended to provide patient care. In the rare event that emergency circumstances arise, which prompt Client to require Interim Leadership Providers to take a patient assignment (e.g., a natural disaster resulting in a high volume of casualties), it is understood and agreed that Client's Professional Liability insurance shall provide coverage to the Interim Leadership Provider. Client and AMN shall maintain Professional Liability insurance in the amount of \$2,000,000 per occurrence and \$4,000,000 annual aggregate. Further, Client's insurance shall respond on a primary basis and shall not seek any contribution from AMN, Affiliated Company, or Subcontractor or their respective Interim Leadership Providers nor shall Client pursue subrogation against AMN, Affiliated Company, or Subcontractor or their respective Interim Leadership Providers, except where prohibited by law. AMN understands that Client has a funded program on self-insurance and is acceptable in lieu of commercial insurance.

- (4) AMN and Client shall each provide the other with certificates of insurance evidencing said insurance coverage prior to the commencement of Services. AMN shall contractually require Subcontractors to furnish certificates of insurance evidencing liability insurance covering Subcontractor and its employees. AMN shall have no liability or responsibility to provide insurance on behalf of Subcontractors or their Interim Leadership Providers or employees.

H. Limitation of Liability.

- (1) Client agrees, and AMN shall contractually require Affiliated Companies and Subcontractors to agree, that Client, Affiliated Companies and Subcontractors, as applicable, shall each be liable to the other party under this Section only for the proportionate liability or representative share of negligence allocated to such party based on the negligent acts or omissions of its respective directors, officers, and employees.
- (2) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, IN NO EVENT SHALL AMN NOR CLIENT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE).
- (3) CLIENT AGREES THAT CLIENT, AFFILIATED COMPANIES AND SUBCONTRACTORS SHALL NOT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE). FURTHER, CLIENT AUTHORIZES AMN TO INCLUDE A CONTRACTUAL PROVISION IN THE SUBCONTRACT AGREEMENTS TO EFFECT SUCH TERMS STATED IN THIS SUBSECTION.
- (4) The obligations set forth in this Section shall expressly survive the expiration or termination, for whatever reason, of this Agreement.

I. Removal of Interim Leadership Providers from Assignment, Postponement and No-Shows.

- (1) Interim Leadership Provider Cancellations. Client may immediately terminate an Interim Leadership Provider assignment upon providing written notice that Interim Leadership Provider is incapable of performing the duties of the position, commits acts of professional negligence, is absent from the position without Client's permission during scheduled times, is insubordinate, engages in substance abuse, violates Client's express rules or regulations, or engages in other unprofessional conduct or breach or neglect of duty. Client shall make available to AMN copies of all non-privileged documentation about problems or incidents in which Interim Leadership Providers are involved.
- (2) In the event Client wishes to terminate an Interim Leadership Provider's assignment for reasons other than those listed above, Client agrees to give AMN at least thirty (30) days written notice of cancellation. Should Client be unable to provide such cancellation notice, Client agrees to pay a cancellation fee of four (4) weeks at the Interim Leadership Provider's weekly regular rate.
- (3) In the event of a cancellation without cause, including cancellations with proper notice, Client shall be responsible for any reasonable housing and travel costs actually incurred by AMN as a result of such cancellation.

J. Hiring of Interim Leadership Providers by Client. For purposes of this entire Section, hours of Interim Leadership Providers include all hours worked at Client after the Go Live Date of this Service Line Exhibit.

- (1) Client will have sole responsibility for making hiring decisions with respect to Interim Leadership Providers that Client decides to hire ("Conversion Candidate"). Client acknowledges and agrees that, effective on the date the Conversion Candidates are hired by Client, Conversion Candidates are

employees of Client and neither AMN, Affiliated Companies nor Subcontractors shall have any liability for any acts or omissions of such Conversion Candidates.

- (2) If Client hires, retains, or otherwise engages an Interim Leadership Provider in any position within the Client's health care system during the period of up to two (2) years following the later of (i) the presentation of the Interim Leadership Provider or candidate by AMN, or (ii) the termination of Interim Leadership Provider's assignment at Facility, Client shall provide thirty (30) days' prior written notice to AMN and pay to AMN the following conversion fee which is due in accordance with the terms of this Agreement:
 - (a) ██████ percent (█████%) of the first year's annual compensation (including signing and other bonuses and taxable compensation) to be paid to Interim Leadership Provider or candidate if this event happens within the first six (6) months of the Interim Leadership Provider's assignment or within the first six (6) months of being presented as a candidate, whichever is later.
 - (b) ██████ percent (█████%) of the first year's annual compensation (including signing and other bonuses and taxable compensation) to be paid to Interim Leadership Provider or candidate if this event happens after the sixth (6th) month of the Interim Leadership Provider's assignment or after the sixth (6th) month of a candidate being presented to Client, whichever is later.
- (3) The obligations of this Section including **Attachment 1** to **Exhibit A-4** survive the expiration or termination for any reason of this Agreement for a period of twelve (12) months.

In advance on price adjustments and with suitable proof, AMN shall provide at least a thirty (30) day written notice to Client prior to the end of the Service Line Initial Term and any succeeding anniversary period. Submit request to University Medical Center of Southern Nevada, Attn: Legal Department, 1800 W. Charleston Blvd., Las Vegas, NV 89102. Price adjustments shall not be retroactive. - (3) Overtime. Client agrees to pay one and one-half (1.5) times the applicable regular rate set forth above for all hours worked by Revenue Cycle Providers of more than forty (40) hours per week. - (4) Training and Orientation. Client agrees to pay AMN for all Client or legally required training and orientation hours attended by Revenue Cycle Providers.

For each position listed under the "POSITION WITH AUDIT SERVICES" table, AMN shall perform internal quality assurance tasks for each position staffed and the cost is included in the hourly rate. Quality assurance tasks include but are not limited to onboarding and recurring quality reviews. Additional training and education shall occur with each review conducted.
- (6) Holidays. Client shall pay one and one-half (1.5) times the applicable regular rate set forth above for time worked by Revenue Cycle Providers on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas Day. A holiday begins at 12:00 a.m. on the day of the holiday and ends at 11:59 p.m. on the day of the holiday. Client shall pay for hours worked on the day of the holiday.
- (7) Expenses. Client shall pay AMN for all pre-approved Revenue Cycle Providers' travel expenses. All expenses must be supported by written receipts. AMN agrees to comply with Client's Travel Reimbursement policy.

F. Client Obligations.

- (1) Client acknowledges that Revenue Cycle Providers will perform work on a temporary or full-time conversion basis under the direction of Client. Client shall properly supervise Revenue Cycle Providers, control the details of their work, and shall be responsible for the work product of the Revenue Cycle

Providers. Client will be responsible for its business operations, products, services, and intellectual property. AMN, Affiliated Companies, and Subcontractors will not be responsible for the work product, acts, errors or omissions of the Revenue Cycle Providers on assignment at Client including, but not limited to, the review and interpretation of patient encounters documented by Client medical personnel, the interpretation of CMS coding and/or billing requirements, or the creation of standard procedure documentation forms. In the event Client requests a Revenue Cycle Provider to obtain remote access (within the United States) to Client's system and/or applications, Client (and not AMN, Affiliated Companies, or Subcontractors) shall be responsible for ensuring Revenue Cycle Providers meet Client's access and/or use requirements. Client shall be responsible for granting Revenue Cycle Providers the minimum necessary access to patient records in accordance with HIPAA requirements.

- (2) Client shall be responsible for compliance with all relevant safety and health laws and regulations during the period of a Revenue Cycle Provider's onsite assignment under Client's supervision. Client shall provide a safe place to work, adequate supervision and all necessary site-specific information, training, instructions and safety equipment. Client agrees to include Revenue Cycle Providers in any Client safety program and hazardous communication training program, and to cover the cost of any safety or personal protective equipment.
- (3) For remote assignments, Client shall be required to provide adequate access to Client systems necessary for the Revenue Cycle Provider to complete the assigned tasks.
- (4) Client shall provide a job description for the temporary or full-time conversion revenue cycle position requested no later than the time of order placement. Client shall not change the assignment or job duties of Revenue Cycle Providers without AMN's prior written approval.
- (5) Client agrees that it will not entrust Revenue Cycle Providers with unattended premises, cash, checks, keys, or credit cards without AMN's prior written approval or as strictly required by the job description provided to AMN and agreed to by AMN.
- (6) Client agrees to use appropriate security measures to protect AMN and its subsidiaries' employee, client and/or Revenue Cycle Provider(s)' personal information from unauthorized access, destruction, use, modification or disclosure in accordance with all federal and state privacy laws.

G. Removal from Assignment.

- (1) Client may immediately terminate an assignment of a Revenue Cycle Provider upon providing notice in writing (e.g., e-mail) that the Revenue Cycle Provider is incapable of performing the duties of the position, commits acts of negligence, is absent from the position without Client's permission during scheduled times, is insubordinate, engages in substance abuse, violates Client's express rules or regulations, or engages in other unprofessional conduct or breach, or neglect of duty. Client shall make available to AMN copies of all non-privileged documentation about problems or incidents in which Revenue Cycle Providers are involved. Client shall remain responsible to pay AMN for all time worked by Revenue Cycle Providers.
- (2) In the event that Client requests that a Revenue Cycle Provider that has been scheduled to provide services (whether or not actually placed in the Facility) be removed or his or her placement cancelled, and such removal or cancellation does not satisfy the conditions of the preceding paragraph, Client shall pay all amounts owed hereunder for services provided through the effective date and time of the cancellation. Client also agrees to reimburse Affiliated Companies or Subcontractors for any reasonable fees and/or charges incurred that result from the cancellation including, but not limited to: airline penalties for cancellation and rescheduling, non-refundable housing deposits, and all other non-cancellable amounts for which Client would have been required to pay or reimburse through the remaining term of the assignment (such as non-cancellable rental or lease costs).

H. Hiring of Revenue Cycle Providers by Client.

- (1) Client agrees that for a period of one (1) year after the date of presentation of such Revenue Cycle Provider is presented to Client, or the date on which such Revenue Cycle Provider ceases to provide

services to Client, whichever is later, Client shall not utilize any professional services of any kind of a Revenue Cycle Provider, whether as a full-time employee, temporary employee, independent contractor, consultant or otherwise (and whether directly or through another agency and whether in the same position as that contemplated during the presentation or for another position), unless Client pays AMN a conversion fee in the amount of [REDACTED] percent ([REDACTED]%) of the Revenue Cycle Provider's annualized first year's base salary (no fee applies where prohibited by law) (the "Conversion Fee").

- (2) Client shall have sole responsibility for making hiring decisions with respect to Revenue Cycle Providers that Client decides to hire as a Client employee ("Conversion Candidate"). Client acknowledges and agrees that, effective on the date the Conversion Candidates are hired by Client, Conversion Candidates are employees of Client, and AMN, Affiliated Company, and Subcontractor shall have no liability for any acts or omissions of such Conversion Candidates.
- (3) The conversion fee is due in accordance with Section H(4)(iii) below on the day the Conversion Candidate performs any services for Client outside of this MSP program. These policies will remain in full effect regardless of the date of termination or cancellation of coverage or cancellation of this Service Line Exhibit, and whether or not Client, AMN, Affiliated Company or Subcontractor is in breach of any term of this Agreement. In addition, should Client elect to interview a Revenue Cycle Provider for a permanent position, Client agrees to pay the expenses related to that interview.
- (4) Guarantee Period: 0-Hour Conversion. In the event that a 0-hour Conversion Candidate is hired by Client pursuant to this Service Line Exhibit resigns or is terminated within thirty (30) days following commencement of employment, then Client shall select by written notification either a refund of the conversion fee paid for such Conversion Candidate or a free-of-charge Conversion Candidate replacement on the following basis:

Delay or postponement of an assignment start will be initiated by AMN if all pre-requirements of USCIS, licensing board, Client and/or AMN are not met by International Provider prior to his or her start date. For any reasons other than those listed above, Client shall not delay or postpone start dates with less than sixty (60) days written notice. Should Client be unable to provide such sixty (60) days' notice of delay or postponement, AMN shall bill Client two (2) weeks (40 hours per week) of delay or postponement at International Provider's

regular rate. In the event of a delay or postponement of assignment start, including delays or postponements with proper notice, Client shall be responsible for any reasonable housing costs actually incurred by AMN, Affiliated Company or Subcontractor as a result of such delay or postponement caused by Client. All expenses must be supported by written receipts. AMN agrees to comply with Client's Travel Reimbursement policy.

- (2) **International Provider Cancellations.** AMN will terminate an International Provider's assignment if the Client provides in writing that the International Provider is incapable of performing the duties of the position, commits acts of professional negligence, is absent from the position without Client's permission during scheduled times, is insubordinate, engages in substance abuse, violates Client's express rules or regulations, or engages in other unprofessional conduct or breach, or neglect of duty. For any reasons other than those listed above, Client agrees to give AMN sixty (60) days written notice of cancellation of any International Providers once a confirmation has been sent by AMN. Should Client be unable to provide such sixty (60) days cancellation notice, AMN reserves the right to bill Client for two (2) weeks (40 hours per week) at the International Provider's regular rate. In the event of a cancellation without cause, including cancellations with proper notice, Client shall be responsible for any reasonable housing and travel costs actually incurred by AMN, Affiliated Company or Subcontractor as a result of such cancellation by Client. All expenses must be supported by written receipts. AMN agrees to comply with Client's Travel Reimbursement policy.

S. Hiring of International Providers by Client.

- (1) Client will have sole responsibility for making hiring decisions with respect to International Providers that Client decides to hire ("Conversion Candidate"). Client acknowledges and agrees that, effective on the date they are hired by Client, Conversion Candidates are employees of Client, and Affiliated Company, Subcontractor and AMN shall have no liability for any acts or omissions of such Conversion Candidates.
- (2) **Right to Hire International Providers.** Client shall not hire or retain the services of an International Provider presented under this Exhibit (on any basis, including but not limited to a full-time, part-time, contract, per diem or temporary employee or through another agency on a travel or per diem basis) at any time during International Providers' assignment other than through Affiliated Company or Subcontractor. Any failure to adhere to the foregoing shall constitute a material breach of this Agreement by Client for which Affiliated Company and Subcontractor will be entitled to recover its lost profits and any other damages arising therefrom (including, without limitation, all immigration and administrative costs incurred with respect to International Provider). Notwithstanding the foregoing, restrictions shall not apply where prohibited by law.
- (3) **Guarantee Period.** In the event that a Conversion Candidate is hired by Client, this Section will have the same Guarantee Period conditions as stated in **Exhibit A-1**.
- (4) The obligations of this Right to Hire provision shall survive the expiration or termination for any reason of this Agreement for a period of twelve (12) months. Notwithstanding the foregoing, restrictions shall not apply where prohibited by law.

T. Limitation of Liability.

- (1) Client agrees, and AMN shall contractually require Affiliated Companies and Subcontractors to agree, that Client Affiliated Companies and Subcontractors, as applicable, shall each be liable to the other party under this Section only for the proportionate liability or representative share of negligence allocated to such party based on the negligent acts or omissions of its respective directors, officers, and employees.
- (2) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, IN NO EVENT SHALL AMN NOR CLIENT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE).

- (3) CLIENT AGREES THAT CLIENT, AFFILIATED COMPANIES AND SUBCONTRACTORS SHALL NOT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE). FURTHER, CLIENT AUTHORIZES AMN TO INCLUDE A CONTRACTUAL PROVISION IN THE SUBCONTRACT AGREEMENTS TO EFFECT SUCH TERMS STATED IN THIS SUBSECTION.
- (4) The obligations set forth in this Section shall expressly survive the expiration or termination, for whatever reason, of this Agreement.

Exhibit A-7
SERVICE LINE – Payroll Staffing

A. Scope of Staffing Services.

- (1) At Client's request, Affiliated Company or Subcontractor will consider for employment, at its sole discretion, certain individuals for positions referred to Client ("Payroll Provider(s)"). Payroll services are not to be utilized for Client's W-2 employees. Payroll Providers shall be deemed to be included in the definition of Provider in this Agreement.
- (2) The terms set forth in this Service Line Exhibit apply only to payroll staffing services.

B. Client Requirements Table. For each Payroll Provider who has been confirmed for an assignment, AMN will contractually require Affiliated Company(ies) and Subcontractor(s) to obtain and maintain documentation of the requirements set forth in **Exhibit C** for its respective Payroll Providers. The costs associated with the requirements set forth in **Exhibit C** are included in the hourly rate to be determined by Client prior to hire. Any changes to **Exhibit C** will require mutual written agreement of the parties. Client shall pay for all costs associated with additional Client requirements and shall provide sufficient time to adopt such new requirements. Upon Payroll Provider's arrival to Client's Facility, Client will verify the identity of each Payroll Provider by a visual check of Payroll Provider's photo identification and professional license or certification. Client retains the responsibility for all hiring decisions of Payroll Providers, provided however, Affiliated Company or Subcontractor may refuse in its reasonable discretion to payroll any prospective worker. In the event of such refusal, Affiliated Company or Subcontractor, as applicable, must promptly provide AMN with its rationale for such refusal, and AMN will relay such information to Client.

C. Term of Service Line Exhibit. This Service Line Exhibit shall commence for a period of three (3) years from the Go Live Date to be mutually agreed to by the parties in writing ("Service Line Initial Term"), unless earlier terminated by either party as set forth in Section 6 of the Agreement. This Service Line Exhibit may be renewed by the parties for two (2) successive one (1) year terms (each a "Service Line Extension Term") by written mutual agreement. The Service Line Initial Term and all Service Line Extension Terms shall collectively be referred to herein as the "Service Line Term."

D. Maximum Length of Payroll Providers. Payroll Providers may not be assigned to any one or more Client Facilities, individually or in the aggregate for more than twelve (12) cumulative months, after which the Payroll Provider must not be assigned to any Client Facility, except as otherwise mutually agreed by the parties in writing.

E. Rate Schedule and Compensation.

- (1) Client agrees to pay AMN for the performance of Services described in this **Exhibit A-7** for the not-to-exceed annual amount of **\$1,000,000** during the Service Line Term inclusive of travel expenses.
- (2) Client shall pay AMN for all hours worked by, or entitled to be paid to, Payroll Providers in accordance with state and federal wage and hour laws (including regular, overtime and holiday hours, as applicable) at the hourly rate to be determined by Client prior to hire. Client shall pay AMN an administrative fee for all payroll services to be calculated as follows: all gross amounts paid to a Payroll Provider for services multiplied by a **██████ percent (████%)** markup for all **Non-Clinical Payroll Providers** and **██████ percent (████%)** for all **Clinical Payroll Providers** (collectively, "Payroll Provider Administrative Fee") which shall be invoiced to Client as an hourly bill rate. In addition, Client shall reimburse AMN for pre-approved reasonable expenses of Payroll Providers.
- (3) Client agrees to pay AMN for all hours worked by a Payroll Provider, including any hours spent in orientation. For the avoidance of doubt, orientation includes those pre-start activities or any pre-start training that the Payroll Providers participate in to prepare or onboard for his/her assignment when done on-premises.
- (4) Unique Local and State Taxes or Surcharges. Certain counties, cities and states may have a unique tax or surcharge at the county, city or state level (for example, Healthy San Francisco Tax). If this scenario

arises, AMN will pass this unique tax or surcharge on to Client at cost, with no Payroll Provider Administrative Fee applied.

- F. Work Week.** Client agrees that billing will be provided weekly and according to Client's work week which begins Sunday and ends the following Saturday.
- G. Overtime.** Client agrees to pay one and one-half (1.5) times the applicable confirmed hourly rate for all hours worked by Payroll Providers of more than forty (40) hours in one (1) week. If any applicable law requires a Payroll Provider to be paid daily overtime (an overtime multiple such as 1.5 times or 2 times the applicable confirmed rate per hour), Client shall pay AMN the same multiple on the applicable confirmed rate for such hours. AMN may comply with Client's policies regarding overtime when such compliance accords with AMN's or the employing party's obligations under state and federal laws, and are communicated to AMN concurrently with the execution of this Agreement or at least ninety (90) days prior to the effective date of such changes.
- H. Holidays.** Client shall pay one and one-half (1.5) times the applicable confirmed rate for time worked by Payroll Providers on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas Day. A holiday begins at 12:00 a.m. on the day of the holiday and ends at 11:59 p.m. on the day of the holiday. Client shall pay for hours worked on the day of the holiday.
- I. Additional Obligations.**
- (1) Client shall be responsible for compliance with all relevant safety and health laws and regulations during the period of a Payroll Provider's assignment under Client's supervision, including but not limited to applicable Joint Commission regulations relating to orientation and evaluation and HIPAA regulations. Client will provide each Payroll Provider with all necessary site-specific training, orientation, equipment (including Respiratory Fit Testing) and evaluations that are required for members of Client's workforce under applicable federal, state or local occupational safety laws or rules, including Joint Commission and HIPAA. Further, Client will utilize Payroll Providers only for the need requested and will assign Payroll Providers to work only in the areas in which they are professionally qualified and oriented to work. Client agrees to float a Payroll Provider only in accordance with Client's floating policies for all staff, and the clinical experience of such Payroll Provider. Client confirms that Client's policies on floating comply with current (and will comply with any future) Joint Commission standards, including the provision of an appropriate orientation to the new unit.
 - (2) Payroll Providers shall perform work at Client's location(s) and under Client's supervision and direction. Client has full medical responsibility of its patients in general and shall provide and be responsible for oversight of Payroll Providers in connection with the temporary or full-time conversion professional services provided by Payroll Providers for Client. Client will control the details of the work and will be responsible for the work product of Payroll Providers. AMN, Affiliated Companies or Subcontractors will not provide office space, equipment or other materials required for the performance of work by Payroll Providers assigned to Client hereunder.
 - (3) Client agrees to complete an evaluation regarding the performance of each Payroll Provider upon completion of Payroll Provider's assignment (or after the first completed shift and annually thereafter for Per Diem Clinical Payroll Providers) and to forward each such evaluation to AMN within fifteen (15) days.
 - (4) Client shall be solely responsible for implementing, maintaining and administering Client's employee benefit plans so that such plans effectively exclude Payroll Providers from coverage where Client does not intend to cover Payroll Providers. Client agrees that AMN shall not be liable to Client for any claims for benefits under Client employee benefit plans that may be asserted by Payroll Providers.
 - (5) Affiliated Company or Subcontractor, as applicable, will employ Payroll Providers and manage all employment aspects of their respective employed Payroll Providers assigned to Client, to include hiring, employment-based counseling, terminations, and placement. Affiliated Companies or Subcontractors shall be responsible for the payment of wages to their respective employed Payroll Providers for work performed on assignments hereunder and Affiliated Company or Subcontractor, as applicable, shall

verify the identity and right to work of each of their respective employed Payroll Providers under the United States immigration laws.

J. Insurance.

- (1) AMN shall, and AMN shall contractually require Affiliated Companies and Subcontractors to, maintain at each of its own respective expense, the following insurance:
 - (i) Workers' Compensation for employees as required by law with statutory minimum limits, or for states without a minimum, minimum limits of \$1,000,000, and Employers' Liability with limits of not less than \$1,000,000 per occurrence and \$1,000,000 annual aggregate for Payroll Providers; and
 - (ii) Commercial General Liability with limits of not less than \$1,000,000 per occurrence and \$3,000,000 annual aggregate for bodily injury and property damage; and
 - (iii) For Payroll Providers providing clinical services, Professional Liability with limits of not less than \$1,000,000 per occurrence and \$3,000,000 annual aggregate; and
 - (iv) For Payroll Providers providing non-clinical services, Errors and Omissions Liability insurance with minimum limits of \$1,000,000 per occurrence and \$2,000,000 annual aggregate covering any damages caused by an error, omission or any negligent act of Affiliated Company, Subcontractor, their respective employees and Payroll Providers; and
 - (v) Unemployment insurance as required by law for all employees; and
 - (vi) Automobile Liability with limits of not less than \$1,000,000 combined single limit.
- (2) AMN shall contractually require Subcontractors to furnish certificates of insurance evidencing liability insurance covering Subcontractor and its employees. In the event such liability insurance is not commercially available in the amounts required, then the parties shall provide insurance in such amounts as they shall mutually agree to in writing. AMN shall have no liability or responsibility to provide insurance on behalf of Subcontractors or their Payroll Providers or employees.

K. Removal of Providers from Assignment. Client may immediately terminate a Payroll Provider assignment upon providing written notice to AMN. If Client terminates a Payroll Provider prior to such Provider completing at least one (1), 4-week assignment or 160 hours on assignment at Client's Facility, Client agrees to pay AMN for any applicable onboarding expenses.

L. Hiring of Payroll Providers by Client. For purposes of this entire Section, hours of Payroll Providers include all hours worked at Client after the Go Live Date of this Service Line Exhibit.

- (1) Client will have sole responsibility for making hiring decisions with respect to Payroll Providers that Client decides to hire ("Conversion Candidate"). Client acknowledges and agrees that, effective on the date Conversion Candidates are hired by Client, Conversion Candidates are employees of Client and neither AMN, Affiliated Company nor Subcontractor shall have liability for any acts or omissions of such Conversion Candidates.
- (2) Right to Hire Payroll Providers. Following presentation or confirmation of Payroll Provider for an assignment, whichever is later, Client may hire or retain the services of (on any basis, including but not limited to a full-time, part-time, contract or temporary employee) a Payroll Provider only after the completion of at least (i) one (1) 4-week assignment, or (ii) 160 hours on assignment at Client's Facility. Except where prohibited by law, should Client hire or retain the services of any Payroll Provider and Payroll Provider has worked less than or equal to one (1), 4-week assignment or 160 hours, Client shall pay AMN for any applicable onboarding expenses. Client shall provide AMN at least thirty (30) days' prior written notice of its intent to directly hire any Payroll Providers, including the date of anticipated hire.

- (3) Guarantee Period: 0-Hour Conversion. In the event that a 0-hour Conversion Candidate is hired by Client pursuant to this Service Line Exhibit resigns or is terminated within thirty (30) days following commencement of employment, then Client shall select by written notification either a refund of the conversion fee paid for such Conversion Candidate or a free-of-charge Conversion Candidate replacement on the following basis:
- (i) If the date of resignation or termination (“End Date”) is between one (1) and thirty (30) days following the Conversion Candidate’s first (1st) day of employment (“Start Date”), then AMN shall refund to Client the conversion fee on a prorated basis, with AMN retaining the percentage of the conversion fee equal to the percentage of the time worked by the Conversion Candidate during the thirty (30) day guarantee period.
 - (ii) AMN will not be bound by the thirty (30) day guarantee period as specified herein, if any of the following occurs during the performance of this Service Line Agreement:
 - (a) Placed Conversion Candidate is discharged due to change in business conditions (e.g., Client general layoff or restructuring) or other factors out of the placed Conversion Candidate’s control; or
 - (b) Placed Conversion Candidate resigns due to a material misrepresentation of the job description or financial condition of Client, reporting structure, or is asked to perform activities that are unethical.
 - (iii) Guarantee Period Invoicing. AMN will invoice Client only when employment, resulting from AMN’s placement, is commenced and the Conversion Candidate is hired by Client within one (1) year of referral. Payment of a correct invoice by Client shall be due within ninety (90) days after the date of hire of Conversion Candidate’s referral and shall include remittance instructions.
- (4) The obligations of this Section survive the expiration or termination for any reason of this Agreement for a period of twelve (12) months.

M. Limitation of Liability.

- (1) Client agrees, and AMN shall contractually require Affiliated Companies and Subcontractors to agree, that Client Affiliated Companies and Subcontractors, as applicable, shall each be liable to the other party under this Section only for the proportionate liability or representative share of negligence allocated to such party based on the negligent acts or omissions of its respective directors, officers, and employees.
- (2) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, IN NO EVENT SHALL AMN NOR CLIENT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE).
- (3) CLIENT AGREES THAT CLIENT, AFFILIATED COMPANIES AND SUBCONTRACTORS SHALL NOT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL OR PUNITIVE DAMAGES OR EXPENSES OR LOST PROFITS (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OR ACTION (WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTORY LIABILITY OR OTHERWISE). FURTHER, CLIENT AUTHORIZES AMN TO INCLUDE A CONTRACTUAL PROVISION IN THE SUBCONTRACT AGREEMENTS TO EFFECT SUCH TERMS STATED IN THIS SUBSECTION.
- (4) The obligations set forth in this Section shall expressly survive the expiration or termination, for whatever reason, of this Agreement.

 - (3) Either party may terminate an Executive Search Confirmation Form at any time upon providing thirty (30) days prior written notice to the other party. If such termination results from Client’s breach of any obligation, including failure to pay an invoice when due, no prior notice shall be required.
